

Steering Committee Meeting Agenda

June 27, 2007

Beacon Club, 24th Floor, Oklahoma Tower

2-5 pm

Purpose and Outcomes

The purpose of this meeting is to review the Core to Shore Team's work on the major plan elements and make comments for any needed adjustments so that the plan can be completed. Major elements include:

- Land use and development guidelines
- Parks and open space concepts
- Retail and office concepts
- Neighborhood concepts
- The Boulevard
- Traffic and transit considerations

The Core to Shore Team will use this meeting to set the course for project completion by September 2007. Continued documentation may continue to November.
