OKLAHOMA CITY

## 2017 Bond Election NEIGHBORHOOD SURVEY

The City of Oklahoma City wants your input on our community's infrastructure needs. A bond election on September 12, 2017 will include projects for streets, bridges, parks and more, and your survey responses will help identify priorities. The General Obligation Bond (GO Bond) is the main funding source for basic infrastructure our growing community needs to thrive. Not every need across Oklahoma City's 620 square miles can be met with a single GO Bond election, but tools like this survey will help provide direction to City Council.
