I have reviewed the chart and it agrees with the chart in the FY19 budget book. No changes are needed.

Subject: CAFR Organization Chart

Mr. Dowler,

Can you review the organization chart from the previous year and let us know if there are any necessary changes that need to be made for the 2017 to 2018 fiscal year's CAFR? I have attached last year's organization chart.

Thank You,

Brandon Crump | City of Oklahoma City
