

## NOTICE TO ARCHITECTS, ENGINEERS, AND PLANNERS

NOTICE IS HEREBY GIVEN, that the City of Oklahoma City has a project that requires the services of a consulting firm.

In order to be considered, the Consultant must comply with the Resolution establishing procedure for "Selection of Architects, Engineers, and Planners" adopted by the City Council on November 18, 1986, a copy of which may be obtained at <http://okc.gov/departments/public-works/engineer-architect-resources/notice-to-a-e> from the office of the Public Works Department Director.

**The Project is as follows: WC-0955, Waterline Replacement** – NW 62<sup>nd</sup> Street to NW 58<sup>th</sup> Street from Tulsa Avenue to Portland Avenue and NW 49<sup>th</sup> Street to NW 45<sup>th</sup> Street from Western Avenue to Walker Avenue

Estimated Construction Cost \$1,500,000

**Project Intent:** This project will replace approximately 15,055 linear feet of 6-inch small diameter water distribution mains. Two separate water main replacement areas have been identified due to high rates of water main breaks and leaks.

and

**The Project is as follows: WC-0956, Waterline Replacement** – NW 35<sup>th</sup> Street to NW 31<sup>st</sup> Street from Villa Avenue to Indiana Avenue and NE 30<sup>th</sup> Street and NE 25<sup>th</sup> Street from Missouri

Estimated Construction Cost \$1,800,000

As a part of your Letter of Interest, provide your understanding of the project and your expertise and experience on similar projects.

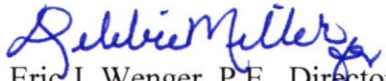

Refer to the basic contract located on <http://okc.gov/departments/public-works/engineer-architect-resources/notice-to-a-e>. All contracts with the City or its related Trusts use this contract. Please review the contract to ensure insurance and indemnity requirements will be met.

A question and answer meeting will be held from 1:00 to 2:00 pm for **WC-0956** and 2:00 to 3:00 pm for **WC-0955** on September 13, 2018 at 420 W. Main Street, Suite 500, Conference Room A. Please address your questions at the meeting. The contact for Utilities Department is Bryan Mitchell at (405) 297-3811.

***Please include a 254 Form with your Letter of Interest.***

Time Schedule for the above project: Preliminary Report required within ninety (90) days and Final Plans and Specifications in one hundred eighty days (180) days of the issuance

of the Work Order. Last date for submitting Letter of Interest (**two copies of letter and all attachments and an electronic copy, provided on a CD or flash drive**) to the Public Works Department Director, 420 W. Main Street, Suite 700, Oklahoma City, OK 73102: prior to 5:00 p.m. September 21, 2018. Emailed submittals are not being accepted at this time.

WC-0956  
Water Main Replacement  
NW 35th St to NW 31st from Villa Ave to Indiana Ave  
NE 30th St and NE 25th St from Missouri Ave to Creston Dr

Please advertise for consultants to submit Letters of Interest to prepare final construction plans and specifications and provide bidding, construction administration, construction management, and construction inspection, and as-built services for the above-mentioned project.

This project will replace approximately 18,120 linear feet of 6-inch and 8-inch small diameter water distribution mains. Two separate water mains replacement areas have been identified due to high rates of water main breaks and leaks.

Plans and specifications will follow within 180 days after OCWUT issues a notice to proceed.. The estimated construction cost for this project is \$1,812,000.

Interested firms, in addition to submitting paper copies of the letters of interest and supplementary qualification documents, are to submit the same information in PDF format on a USB drive.

Coordination of this project will be through my office, or contact Bryan Mitchell, P.E. at (405) 297-3811.

UTILITIES DEPARTMENT

July 26, 2018

**Project Title:** Waterline Replacement – FY 20- 2nd Quarter

**Project Location:** NW 35th St to NW 31st from Villa Ave to Indiana Ave  
NE 30th St and NE 25th St from Missouri Ave to Creston Dr

**Project Number:** WC-0956

**Estimated Construction Cost:** \$1,812,000

**Background:** OCWUT operates and maintains its water treatment and distribution system along with all associated appurtenances. This project will replace approximately 18,120 linear feet of 6-inch and 8-inch small diameter water distribution mains. Two separate water mains replacement areas have been identified due to high rates of water main breaks and leaks. Replacement of these mains will ensure delivery of high quality water and reliable water service.

OCWUT also has a need to complete main repairs and replace water distribution mains to support the Line Maintenance Division during periods of higher than normal workload. This project is envisioned to include an allowance for construction to complete these repairs and replacements as they are identified.

**Project Intent:** The consultant for this project will provide final design, bidding, construction management and inspection, and as-built services necessary to complete the project. Preliminary engineering or an engineering report will not be required for this project.

**Proposal Instructions:** Upon public advertisement, interested consulting firms will have two (2) weeks to prepare general qualification proposal materials. During this stage of the general qualifications material development, OCWUT staff will hold a question and answer session 7 days prior to the due date regarding this project. Three firms will be identified for a set interview date two (2) weeks in advance of said event. During this second two (2) week period the three identified firms may engage OCWUT staff in individual meetings to gain further project specific knowledge in advance of the interview session.
