

Program Planner | Oklahoma City

Comprehensive Planning

Oklahoma City is currently seeking an experienced Program Planner to manage the Comprehensive Planning section of the City's Plan Development and Implementation Division (PDI). The division performs a broad array of functions including Comprehensive Planning, Transportation Planning, and Neighborhood and Commercial District Revitalization.

Interpersonal acumen and planning-related skills, knowledge and experience are essential. This Program Planner position requires an individual who exemplifies the Planning Department's values of professionalism, integrity, ownership mentality, collaboration and open-mindedness, effective communication, creativity, positivity, and passion.

The PDI Division is responsible for coordinating implementation of the City's Daniel Burnham Award-winning comprehensive plan, *planokc*, and the City's bicycle and pedestrian master plan, *bikewalkokc*. The Program Planner may supervise Senior and Associate Planners and oversees many initiatives, projects, and

programs related to comprehensive planning, area planning, housing planning, natural resource preservation, infrastructure planning, and development regulations.

This position is open until filled. The first review of applications will be December 30, 2019.

Oklahoma City is a welcoming and diverse community with many unique urban neighborhoods and districts, a superb food scene, and a tremendous array of attractions and outdoor activities for everyone. The City's government has a strong reputation for effective governance, leadership, and collaboration. This is reflected in the Planning Department's collaborative and positive work environment.

Qualifications, the formal announcement with further detail, and application instructions can be found here under the Planning Department filter:
