*Neighborhood Alliance of Central Oklahoma*

Wednesday, May 6

6:30 - 8:00 PM

Will Rogers Gardens Exhibition Hall  
3400 NW 36th St

Before you ramp up watering this spring, let us walk you through a "sprinkler spruce-up" to ensure your system is operating efficiently. In this workshop you'll learn how to **inspect, connect, direct, and select**—to help promote healthy landscapes and reduce water waste.

Free, registration is required at [squeezeeverydrop.com](http://squeezeeverydrop.com) or by calling (405) 297-1284.
