Parks Build
Healthy Communities

Family Fit Day

Is the second Saturday in June each year, this special day highlights the importance of parks and recreation in keeping communities healthy. This year's theme is "Parks Builds Healthy Communities," and we are celebrating all the ways park and recreation professionals promote health and wellness in their communities.

Share your Family Health & Fitness Day ideas, events and photos with us online using the hashtag #okcparks and #NRPAFamilyFitDay #AcademyOklaCity

If you have any questions feel free to contact Katie Koppari :(405) 297-2279

Earlywine Park

This municipal park includes the Earlywine Family Aquatic Center, Earlywine Golf Course, a playground, soccer fields, walk/run/bike trail and the Earlywine Tennis Center.

1. How many shade coverings can you find in the park?

2. What color is the largest slide at the Earlywine Aquatic Center?

3. Name two things you find fun about Earlywine Park.

4. Take a picture at your favorite spot in the park and tag @OKCParks on Facebook or Instagram.

5. How many other people do you see at the park today?

Will Rogers Park

Will Rogers Gardens is part of one of Oklahoma City's oldest parks. Originally purchased by City leaders in 1912 just 5 years after statehood. It is a wonderful place to visit, rent space inside, or take a walk and enjoy the beautiful gardens and trees

1. What was the land used for before the City purchased it?

Hint: What kind of farm?

2. In the 30's the red sandstone walls and buildings were built by a group of people, what was the program called?

3. Which flower was named after Will Rogers and is planted in the Charles E Sparks Color Garden?

4. What was the original name of the Will Rogers Park?

Hint: what part of the city is it?

5. Take a picture with one of your favorite places in Will Rogers Park and tag @OKCParks on Facebook or Instagram.

Martin Park

More than just a park, Martin Park Nature Center is a hub for nature exploration and education for visitors of all ages. Martin Park offers visitors the opportunity to disconnect from their fast-paced lives and relax in a natural environment.

Located in the Cross-Timbers region of Oklahoma, Martin Park is an urban hotspot for migratory birds, deer, turtles, coyotes, reptiles, amphibians and insects. Martin Park is open year-round to the public and offers a variety of programs and classes for youth, family, and adults.

1. What is the name of the stuffed coyote inside the Visitor Center?

2. Find an animal that carries its home on its back.

3. Name three birds commonly seen at the Wild Bird Observation Station.

4. What type of tree has heart-shaped leaves?

Take a picture with one that you find and tag @OKCParks on Facebook or Instagram.

5. How many fish did you see under the Iron Bridge?

Wiley Post Park

Wiley Post Park sits right along the Oklahoma River and was named after the famous Oklahoma pilot that circumnavigated the globe in 1931.

The park offers river trails, open fields, a popular playground, splashpad, outdoor fitness court and an outdoor pavilion with its very own sand volleyball court.

The park is located just across the street from the Mat Hoffman Action Sports park, the biggest skate park in the city.

1. Which side of the river is this park, North or South?

2. What is the theme of the splashpad in this park?

3. What is an element of the Wiley Post statue other than Wiley Post himself?

4. How many picnic tables are located throughout the park?

5. Wiley Post has one of five outdoor fitness courts in OKC!

Download the app Fitness Court app and try a workout.

After you finish your free workout, take a picture with your favorite element of the Fitness Court and tag @OKCParks on Facebook, Instagram or Twitter.
