

## Manufactured (Mobile) Home Park District

The R-MH-2 District permits locations for manufactured (mobile) home parks which, while providing a residential environment, are not generally compatible with normal residential developments. These parks are under a single ownership and provide leased or rented manufactured (mobile) home spaces. This district should provide for an orderly arrangement of home sites in manufactured (mobile) home parks, which have been located and designed in a manner that will promote and protect the health, safety and general welfare of the residents.
