# PRIVATE SWIM LESSONS

OKC Parks offers 30-minute private lessons for all skill levels. Private lessons offer the opportunity to work on specific one-to-one instruction to build confidence, focus on a specific skill or to fit your scheduling needs. All private lessons must be scheduled prior to any payment. To schedule a Private Swim Lesson, please contact 405-297-1424.

If your child does not meet the age requirements of group swim lessons, we ask that you please register for private lessons. Often children learning to swim at an older age progress much faster than younger children and can outpace others in a group setting. Private lessons are the best option for children learning to swim at an older age.

Likewise, if your child is a younger swimmer who is more advanced, private lessons will yield better results than group lessons with older children. Advanced swimmers can benefit greatly from our private lessons with instruction on proper form.

If you are an adult and want to learn how to swim, then know it's never too late! Our instructors are trained in instructing goal-based private lessons for adult learners and can help you accomplish your goals from learning to swim to defining strokes and form.

## Learn to Swim Private Lessons (Ages 3 - Adult)

**Lessons are taught by a teacher in the water, providing hands-on assistance and instruction. Lessons can provide anything from water safety skills (such as floating) to basic stroke instruction. Participants must be potty-trained.**

### 30-Minute Private Lessons
