Long-Term Issue - Community Development

Poverty, homelessness, lack of quality affordable housing, concerns about the quality of education, decreasing community involvement in neighborhood schools, and declining community vitality, if not adequately addressed, will result in:

- Increased crime and decreased perception of public safety;
- Continued decline in public health;
- Reduced ability to meet demand for public services;
- Decreased property values and neighborhood decline;
- Reduced ability to attract economic development;
- Reduced ability to improve education outcomes;
- Increased cost burden for low and moderate-income households; and
- Decreased satisfaction in community appearance.

Strategies to address the Long-Term Issue

- Stabilize neighborhoods through the Strong Neighborhoods Initiative.
- Strengthen at-risk neighborhoods through the use of community development and social services programs.
- Strengthen relationships with partners, including the Public School Districts and the Oklahoma Department of Mental Health and Substance Abuse Services, to develop programs and strategies targeted to the specific needs of the community.
- Enhance community appearance through improving design and development regulations and facilitating public art projects.
- Seek additional partners and resources to increase permanent supportive housing and emergency shelters for homeless families and individuals.
- Concentrate community development resources in target revitalization areas for economic development, housing activities and public facilities for low and moderate-income populations.

Strategic Result(s) to measure annual progress on Long-Term Issue

Annually, the Planning Department will address homelessness and concerns about community vitality as evidenced by:

- 85% of people who are homeless who remain in permanent housing for more than six months.
- The percent of residents that say they are satisfied or very satisfied with the appearance of the city is above the national average, as reported by the annual Citizen Survey.
- The percent of residents that say they are satisfied or very satisfied with their feeling of safety is above the national average, as reported by the annual Citizen Survey.

Long-Term Issue - Urban Revitalization

If not addressed, older districts and neighborhoods will continue to experience increased vulnerability and decline, as evidenced by:

- *A lack of quality, affordable central city neighborhoods driving population to outlying areas with better public education;*
- *Higher costs to the City to provide services for residents and businesses;*
- *The inability to generate optimal tax revenue to pay for essential City services;*
- *Continued deterioration of aging commercial districts and neighborhoods;*
- *Inadequate number of quality, affordable residential products;*
- *Underutilization of existing properties and infrastructure;*
- *A lack of transportation options; and*
- *Lost opportunities for economic development.*

Strategies to address the Long-Term Issue

- *Guide the allocation of resources including grant funds and capital expenditures as stated in planokc.*
- *Focus Planning Department capacity and technical assistance on revitalization areas.*
- *Strengthen capacity of commercial districts to deliver more meaningful social, economic, and aesthetic results through the Commercial District Revitalization Program.*
- *Strategically concentrate neighborhood revitalization efforts in the Strong Neighborhoods Initiative areas to reverse decline and leverage private investment and support.*

Strategic Result(s) to measure annual progress on Long-Term Issue

Annually, the Planning Department will influence revitalization and redevelopment within the urbanized areas of the city as evidenced by:

- *100% of participating Commercial District Revitalization Program districts will maintain or increase total property value.*
- *65% of citizens surveyed will be satisfied with each attribute in response to the following question: Please rate your satisfaction with the following attributes of your neighborhood: - Safety - Appearance - Property Maintenance - Sense of Community - Amenities (parks, sidewalks, street trees) - Overall Quality*

Long-Term Issue - Sustainable Growth

Failure to guide the city's growth in a way that promotes quality of life, efficient service provision, and human, environmental, and economic health will result in:

- *Increased costs to provide public services;*
- *Lower level of City services;*
- *Diminished neighborhood stability and durability;*
- *Exacerbation of public health issues;*
- *Continued stress on capacity of public schools to improve educational outcomes;*
- *Reduced functionality of the multi-modal transportation system and capacity to support it;*
- *Reduction in quality, accessibility, and availability of natural resources (air, water, natural areas);*
- *Increased number of vacant, abandoned and dilapidated buildings and properties;*
- *Diminished options for access to community services and employment opportunities;*
- *Increased infrastructure construction and maintenance costs for taxpayers;*
- *Failure to meet federal air quality standards will impact federal funding, efficiency of transportation infrastructure projects, and the ability to support new or expanding industry;*
- *Diminished attractiveness for economic development;*
- *Increased economic and social disparity; and*
- *Diminished ability to meet community demand for quality of life services and amenities.*

Strategies to address the Long-Term Issue

- *Implement Comprehensive Plan (planokc);*
- *Develop, adopt and implement the Sustainability Plan.*
 - *Establish a full-time Urban Forester position to: develop and manage an Urban Forestry Management and Reforestation Plan; utilize grants, leverage community resources, and form public/private partnerships to assist with tree planting, care, and maintenance; and provide internal assistance in coordinating any type of emergency service that impacts trees in the event of an ice storm, tornado, wildfires, or any other natural disaster.*
- *Develop policies, strategies, and incentives to increase the variety of housing types and affordability.*
- *Promote inner-city development and redevelopment through the use of incentives, design review consultations and coordination with other City agencies and the development community.*
- *Modify codes, regulations and policies to ensure consistency with the comprehensive plan (planokc).*
- *Promote the implementation of a multi-modal transportation system.*

Long-Term Issue - Effective Collaboration and Coordination

Inadequate coordination between all City departments and partner agencies in the development and implementation of the City's projects, plans, policies and goals, if not addressed, will result in:

- *Inefficient use of City resources;*
- *Inefficient and unsustainable growth;*
- *Poor execution of City policies, plans and Council priorities; and*
- *Increased project costs, delays and diminished citizen confidence.*

Strategies to address the Long-Term Issue

- *Build and maintain a strong relationships with Public School Districts, Association of Central Oklahoma Governments, Local Art Agencies, City Departments, and others.*
- *Identify and recruit interested and involved stakeholders to participate on planning and implementation teams.*
- *Establish and solidify agreements committing resources and staff with departments to assist with implementing initiatives that have cross-departmental issues.*

Strategic Result(s) to measure annual progress on Long-Term Issue

The Planning Department will help facilitate better participation and support from other City departments, school systems and other agencies as evidenced by:
