

Agenda Item IX.B
Chapter 47
Industrial Pretreatment Ordinance
Introduction February 17 2015

The City of
OKLAHOMA CITY

UTILITIES DEPARTMENT
420 WEST MAIN, SUITE 500
OKLAHOMA CITY, OK 73102

Industrial Pre-Treatment Program

- Minimizes risk of extra-strong or hazardous wastes from entering the wastewater system
- Protects wastewater workers, treatment plants and sanitary sewers
- Required by the federal Clean Water Act

Program Categories

Federal Categorical Industries

Metal Finishers and Centralized Waste Treatment; these customers have the most potential to cause impact

Significant Industries

Hospitals and Commercial Laundries; these customers discharge an average of more than 25,000 gallons each day and a higher than average concentration of some wastes

Non-Significant/Minor Industries

Restaurants and Medical Clinics; these industries normally discharge less than 25,000 gallons each day
