Long-Term Issue - Greater Need for Police Presence and Services

The growing demand for police presence and services coupled with the increasing scope and complexity of police services, if not adequately addressed, will result in:

- Delayed police response times
- Increasing crime rate and reduced percentage of crimes solved
- Decreased resident satisfaction with police services and feelings of community safety
- Decreased traffic enforcement resulting in increased number of collisions

Strategies to address the Long-Term Issue

- Continue the use of various resources to address high crime areas to improve the public perception and foster trust.
- Increase traffic enforcement citywide.
- Increase personnel in Investigations, Operations and community based programs.
- Build strategic relationships with local and national public and private partners.

Strategic Result(s) to measure annual progress on Long-Term Issue

By 2022, police presence and services will adequately increase while maintaining the level of core services citywide, as evidenced by:

- 60% or more of citizens citywide report they feel safe.
- 72% or more of residents will be satisfied with quality of police services citywide.
- 80% or more of life threatening calls (Priority 1) will be responded to within 9 minutes 30 seconds from the time a 911 call is answered to officer arrival.
- Property crime clearance rate equal to or above the national average of comparable cities, 17.6%.
- Violent crime clearance rate equal to or above the national average of comparable cities, 45.5%.
- 55% or more of residents will feel safe in the Downtown area.

Long-Term Issue - Violent Crime

A continued trend of violent crime, if not adequately addressed, will result in:

- Increased aggravated assaults and homicides
- Increased demand on public services
- Decreased feeling of public safety

Strategies to address the Long-Term Issue

- Improve public perception and foster trust by increasing community engagement along with police presence, and enforcement in strategic areas using various overtime initiatives and grant programs.
- Increase efforts to reduce crime through community based programs, social outreach opportunities, and public and private partnerships.
- Develop strategies to improve the recruitment, hiring and training of new officers to fill vacancies.
- Improve federal partnerships to address violent crime.
- Increase communication between various departmental units to improve efficiency and effectiveness.
- Renew focus on data-driven approaches to identify and investigate violent crime.

Strategic Result(s) to measure annual progress on Long-Term Issue

Annually, the Police Department will address the rise in violent crime by ensuring aggravated assaults per 100,000 residents in Oklahoma City are equal to or below comparable cities nationwide.

Long-Term Issue - Procedural Justice

Procedural justice is defined as the idea of fairness in the processes that resolve disputes and allocate resources. It is a philosophy and practice which promotes integrity, compassion, accountability, respect, and equity. The continuing need to implement and promote procedural justice, if not addressed, will result in:

- Negative public perception
- Decreased ability to recruit candidates
- Decreased resident trust, confidence, and cooperation
- Decreased actual or perception of unfair and inequitable policing services

Strategies to address the Long-Term Issue

- Review and revise department directives for best practice.
- Participate in community outreach through community programs and partnerships.
- Reinforce scenario-based de-escalation training and practices to employees through all aspects of training.
- Enhance the Body Worn Camera program through updates and expansion.
