

**PC-0761, roadway widening and improvements, North Rockwell Avenue from
West Memorial Road to NW 150th Street**

Questions and Answers

August 4, 2021

1. Will the consultant have to acquire R/W and write easements to be signed by land-owners? **Yes**
2. Will the consultant prepare utility relocation plans and easements? **Yes**
3. What is included in the a Preliminary Report? **The report will include an overall review of the project with 35% plans. The consultant awarded the project will be given detailed instructions on what is included in the report.**
4. We have a question on one of the advertised design projects, the Rockwell Avenue project. We have taken photos for the possibility of the NW 150th Street intersection being reconstructed. Has a decision been made at this time as to whether or not that intersection will be reconstructed as part of this project? **Yes, the intersection is part of the project.**
