Mayor Holt re-elected

Mayor David Holt was re-elected to a second four-year term during the Feb. 8 general election vote. Holt's new term begins May 3. More than 60,000 residents voted, the largest turnout for an OKC mayoral race since 1959. Mayor Holt is Oklahoma City's 36th Mayor and the first to be an enrolled member of a Native American tribe. The mayor is one of nine members of the nonpartisan City Council. His annual salary is \$24,000, and Council members' annual salary is \$12,000.

Health & Wellness Center

Get your body moving. The Pete White Health and Wellness Center, 4021 S Walker, is a MAPS 3 Senior Health and Wellness Center operated by the OKC Parks & Recreation Department. The center features an indoor pool, indoor walking track, fitness center, pickleball, ceramics, watercolor painting, arts and crafts, a demo kitchen, computer lab and social activities. Monthly membership is \$30 for individuals and \$50 for joint. To ensure accessibility to all OKC residents, OKC Parks offers a reduced monthly membership rate depending on a person's gross income. Call (405) 246-3950 for details.

Trail Safety

Distractions are part of our daily life. Whether it's having a conversation while walking 7.5 miles on the West River Trail, or shredding rubber riding the Oklahoma River Trails. If you're listening to music or on the phone, please remember to be aware of your surroundings, this includes sounds from other runners, walkers, bikes, and animals. Using only one earbud limits unexpected surprises.

The City is hosting a special collection for unwanted computers, tires, ammunition and prescription drugs from 9 a.m. to 1 p.m. Saturday, April 2 at the OKC Fairgrounds. Enter the fairgrounds from May Ave. at Gate 5 on Gordon Cooper Blvd. Bring a current City of OKC water bill to prove residency. Syringes, liquids, inhalers, tire rims, televisions and wheels won't be accepted. Businesses wanting to recycle hazardous waste should contact the state Department of Environmental Quality at 405-702-5100. Visit okc.gov/hhw to learn more about the Household Hazardous Waste Facility.

Backyard chickens

OKC residents can now raise up to six chickens or quail in their backyard. Roosters are not allowed. Permits or fees not required and enforcement is on a complaint basis.

- Animals must be coop from dusk to dawn.
- Electrical/heat sources must follow City building codes.
- Coops must be at least five feet from side property line, 10 feet from back property line and 30 feet from an adjacent dwelling.

Neighborhoods with covenants against raising chickens can privately enforce them through legal means. Slaughtering chickens outside is not allowed. Violators can be fined up to \$500 for the first and second offenses and \$1200 for the third or subsequent offense.

River Cruises opening

Help clean waterways

Volunteers are needed to clean up trash and debris from creeks, rivers and other OKC waterways. Waterway clean ups help beautify our City and protect our drinking water from pollution. Supplies provided. Clean up days:

- Friday, April 8, 1 - 4 p.m.
- Saturday, April 23, 9 - 11 a.m.

To volunteer or set up your own waterway clean up event contact Brooke Vierck at brooke.vierck@okc.gov or 405-297-1797. Volunteers must sign up 10 days before a clean up.

Order a rain barrel

Conserve water and help your garden by ordering a rain barrel. Order one for \$66.50 at upcycle-products.com/ok-programs/ok-city. Scroll down the page to choose your barrel, find upgrades, composters and more. The 55-gallon barrels come with screens to keep out mosquitoes and critters. Place your order by April 24. Pickup is 8:30 to 11:30 a.m. May 7 or 14 at the Household Hazardous Waste Collection Facility, 1621 S Portland Ave. Call (405) 297-1797 or email brooke.vierck@okc.gov for details or a printed order form.

OKC Sip and Stroll

Enjoy sunsets, cocktails and wildlife at OKC Zoo's event series, Sip and Stroll. Presented by COOP Ale Works, Sip and Stroll occurs every third Thursday, April through September, from 6-10 p.m. Guests 21+ can explore the Zoo while sipping drinks. Themed "watering holes" feature custom cocktails inspired by wildlife while highlighting how the Zoo protects the natural world through global conservation partnerships. Visit okc-zoo.org/sipandstroll to purchase tickets.

Homelessness update

In 2021, at least 39 people experiencing homelessness died on OKC streets. Because people in the homeless population experience disproportionately high rates of stress, violence, health problems, and the inability to control food and medication intake, it's reasonable to conclude fewer people would have died if they had a home and regular access to healthcare. The City publishes an annual Point in Time report on okc.gov so we better understand trends and work towards solutions for people who are unsheltered.

Find leaks

A sudden jump in your water bill may mean you have a hidden leak. Leaks can waste thousands of gallons of water and increase water bills. Find and fix leaks quickly to save water and money all year with these tips. Visit squeezeeverydrop.com for more.

Check for leaks:

- Check faucets for drips or worn-out gaskets. Look under sinks for or water on seals/joints.
- Put a drop of food coloring in the toilet tank. If color shows up in the bowl after 15 minutes, you have a leak. Flush when done to avoid stains.
- Look for broken sprinkler heads, pooling water and overspray on concrete.
