You have 31 days from your retirement date to comply with this requirement. Failure to timely submit required documents will result in non-enrollment of your dependents, which may result in the dependent child(ren) being ineligible for future coverage. Additional information on dependent eligibility may be found in the Retiree Guide to Benefits and [www.okc.gov/retirees](http://www.okc.gov/retirees).

### **CHILD(REN)**

Copy of State Issued Birth Certificate, Copy of SSN Card, and Copy of Medicare Card (if applicable)

## **Medicare Requirements**

If you and/or a covered dependent become eligible for Medicare, you are required to notify Employee Benefits within 31 days of your Medicare eligibility date. Failure to notify Employee Benefits of Medicare eligibility may result you being enrolled in an incorrect plan and/or overpaying of premiums. Employee Benefits will not be responsible for refunding overpayment of insurance premiums as a result of failure to notify Employee Benefits within 31 days of Medicare eligibility.

## **Life Events Requirements**

If you and dependent child(ren) experience a life event, it is your responsibility to notify Employee Benefits within 31 days of the event date. Failure to notify within 31 days may result in the OPEBT/City subsidizing coverage for an ineligible dependent. In addition, failure to notify of other Life events within the initial 31 days after a life event may result dependent child(ren) being ineligible for future coverage.

In the event of an ineligible dependent child(ren) coverage, Employee Benefits reserves the right to re-adjudicate paid claims and/or demand reimbursement of premiums paid by OPEBT/City on behalf of ineligible dependent child(ren). Examples of Life events include, but is not limited to: Divorce, Death, Gaining Other Insurance Coverage, Marriage, and Birth.

COBRA Continuation Coverage may be available upon loss of coverage, and that I may refer to the General Notice of COBRA Continuation Coverage Rights for more information.

Contact Employee Benefits at [employee.benefits@okc.gov](mailto:employee.benefits@okc.gov) or (405) 297-2144 if you have any questions regarding your rights and responsibilities as a surviving spouse. Additional information may be found in the Retiree Guide to Benefits as well as [www.okc.gov/retirees](http://www.okc.gov/retirees).

I hereby attest, by signature below, electronic signature, or default (no action taken), that I have read and/or been provided a copy of the Documentation Requirements, Medicare Requirements, and Life Events Requirements. I furthermore acknowledge that by my election of coverage, it is my responsibility to comply with the Requirements stated above.

I hereby attest, by signature below, electronic signature, or default (no action taken), that the information listed on this form is true and correct. I further acknowledge that I am legally responsible for the medical/dental expense incurred by individuals listed on this form in the event such expenses are not covered under the selected medical/dental plans. I understand that if the information on this form is determined to be false or misleading, it may result in denial of benefits and termination of my or my dependent's coverage as well as any other action deemed appropriate.

Premium payment for health, dental, and vision insurance will be deducted from your pension check. Retirees are paid on the last day of the month; therefore, premiums are deducted in arrears. If the total amount of monthly premium contributions exceeds the amount of your pension check please contact the Employee Benefits Division at 297-2144 to make payment arrangements.

**OCERS RETIREES ONLY:** I hereby authorize my contribution amounts to be deducted from my pension check at the rates established now or in the future. I also understand that I cannot change contribution amounts or revoke this agreement during the plan year except by written request to terminate Major Medical or there is a permitted qualifying event. I agree to provide timely notification and documentation to the Employee Benefits Division if I or my dependent(s) become covered under Medicare/Medicaid or other employer coverage.

**POLICE RETIREES ONLY:** Any election and/or change to your benefit elections may require you to complete Form 135 and submit to Oklahoma Police Pension and Retirement System (OPPRS). Any shortage in premiums paid may result in coverage termination of benefit. Any overpayment of premiums may not be refunded until validation of the correct premium payment is submitted to OPEBT/City.

Additional information regarding your retiree benefits can be found in the Retiree Guide to Benefits and at [www.okc.gov/oe](http://www.okc.gov/oe) .
