That _____, as Principal, and _____, as Surety, a(n) _____ Licensed to do business in the State of Oklahoma, are each jointly and severally held and firmly bound unto both The City Of Oklahoma City ("Oklahoma City"), a municipal corporation organized and existing pursuant to the laws of the State of Oklahoma, in the full and just sum of twenty five thousand dollars (\$25,000.00) and no cents during the term as provided and described below, the payment of which, well and truly to be made, we, and each of us, bind ourselves, our heirs, executors, and assigns, themselves, and it's successors and assigns, jointly and severally, firmly by these presents.

The term of this bond shall be from the date the bond is executed by the Surety and approved by the Municipal Counselor until two (2) years after the completion of all work commenced during the operational period of this bond provided however this bond shall not terminate but be extended until the completion of any corrections or repairs to any work commenced during the operational period of this bond or the payment therefore in accordance with this bond, whichever is later. The operational period of this bond is two (2) years from its approval by the municipal attorney. The operational period is that span of time during which the Principal may work in the right-of-way, on Oklahoma City property, in an Oklahoma City easement or publicly dedicated easements (herein collectively referred to as the "right-of-way" under this bond although the obligations of the Principal and the Surety and the obligations under this bond extend beyond the operational period. Work (other than corrections and repairs) performed in the right-of-way shall be deemed completed upon the last of the following: passing of all required inspections; for work for or to be dedicated to Oklahoma City, the final formal acceptance of that work by the City Council; for water service line and water meters, the establishment of an account (other than a construction account) for the premise serviced and any required deposit received by the Utility Customer Services Division of the Water and Wastewater Utilities Department.
