

# HALLOWEEN RECYCLING FRIGHTS!

Halloween fun can wreak havoc on our recycling program. You can help by keeping these items **OUT** of your Big Green recycling cart.

- Toss webbing, string lights, ropes and cords in your Big Blue cart.
- Upcycle or donate costumes and accessories.
- Plain pumpkins (no paint, glue, glitter or mold) can be composted. Throw away decorated pumpkins.
- Throw away paper plates, cups and napkins, and other party goods.
- Plastic or foam pumpkins and Jack-o-Lanterns are not recyclable. Put them in Big Blue.

# The Skinny **on Bulky**

Big junk, bulk trash, bulky waste. Whatever you call it, OKC Utilities has you covered.

## What do we collect?

- Tree limbs (cut to 10' or less)
- Mattresses
- Fencing
- Furniture
- Carpeting
- Large appliances (call in advance if setting out refrigerators or other items containing freon).

The first 4 cubic yards are included with your monthly trash charges. Excess fees may apply if you exceed the limit.

## When do we collect?

Set items at the curb no later than 6 a.m. on your assigned collection date. Crews have three days to collect them. You can place them to the curb no more than three days prior to your assigned day.

Keep all items away from mailboxes, trees, fire hydrants, water meters and other obstacles.

Visit [okc.gov/utilities](https://okc.gov/utilities) to see our set-out guidelines and learn what we do and don't collect. To know your next bulky collection day, visit [okcutilities.com](https://okcutilities.com) or [okc.gov/mytrashday](https://okc.gov/mytrashday).
