

M4-NY050, MAPS4 Youth Centers Programming and Planning

Questions and Answers

October 7, 2022

1. Has the operator been decided? **Yes, the Boys and Girls Clubs of Oklahoma County is the operator.**
2. Will one operator for all four facilities? **Yes.**
3. Or will there be different operators for each facility? **Same operator**
4. Has any preliminary programming been done? **No.**
5. Does each facility have a the same “base” minimum programming requirements and then options to expand for their specific community needs? If so, will you share those programming minimums? For example, every facility will have a multipurpose gym for basketball, but maybe not every facility will have a health clinic. **This will be determined by the consultant.**
6. What deliverables are included in Phase 1? **After the programming effort is completed, the contract may be amended to include full architectural design of the first youth center.**

Are you wanting full A&E team qualifications submitted (including engineering)? **Yes**
