The festival, which is free and open to everyone, will include family-friendly activities such as photos with Santa Claus, face painting, caricatures, a Magic Elf, letters to Santa, and a showcase of holiday performances leading up to and following the countdown to the lighting of the Christmas tree by Mayor David Holt.

The Bricktown Christmas Tree will be lit at approximately 5:50pm and will be on display through Christmas Day.

Following the festival, all are invited to tune into the debut of the Virtual Holiday Special presented by Heartland on Friday, November 25th, to share the excitement of the tree lighting with their family and friends, have a chance to see themselves on screen, and enjoy additional performances and special guests.
