The City of  
**OKLAHOMA CITY**

November 23, 2022

Interested Readers:

The City of Oklahoma City (City) Finance Department, Accounting Services Division, prepared this report to provide additional financial information supplementing the City's June 30, 2022, Annual Comprehensive Financial Report (ACFR). Supplemental financial information and operating data for the respective City and public trust issuers provides ongoing disclosure of material information. Detailed debt service schedules and information specific to individual issues are presented for the bonded debt of the City and its related public trusts, as identified in this report.

This report does not contain financial statements or disclosure as required by accounting principles generally accepted in the United States (U.S. GAAP). It is unaudited. Readers are encouraged to use this report as a companion to the ACFR.

**ACFR, June 30, 2022**

Includes audited financial statements and required disclosure in accordance with U.S. GAAP. Economic information and statistical data are included in non-financial sections of the report.

**City Capital Improvement Plan, 2021-2025**

Quantifies and focuses long and short range capital needs and projects over a five year time horizon. Projects are matched with available resources, and needs for additional resources are identified.

**Public Trust & Authority Annual Reports, June 30, 2022**

Includes audited financial statements and required disclosure for individual trusts in accordance with U.S. GAAP. Reports for public trusts and authorities with bonded debt outstanding are as follows: Central Oklahoma Transportation and Parking Authority, Oklahoma City Airport Trust, Oklahoma City Public Property Authority, McGee Creek Authority, Oklahoma City Water Utilities Trust, Oklahoma City Zoological Trust and Oklahoma City Economic Development Trust.

**Debt Service Fund Requirements from Ad Valorem Tax Levy (Debt Service Budget), 2022/2023**

Includes schedules of general obligation indebtedness including bonds and judgments (torts of the City). Ad valorem tax requirements are quantified for submission to applicable counties that levy and collect the City's ad valorem (property) tax.

Copies of these documents can be obtained from the Accounting Services Division on request and are available on the City's website at [www.okc.gov](http://www.okc.gov).

Respectfully submitted,

**I. GENERAL INFORMATION**

**A. CITY OF OKLAHOMA CITY (CITY)**

Oklahoma City was incorporated in 1890. The City is governed by a Council-Manager form of government. Oklahoma City is the county seat of Oklahoma County and the state capital. The City limits encompass a land area of approximately 620 square miles. The 2022 population estimate for Oklahoma City is approximately 706 thousand. The Oklahoma City Metropolitan Statistical Area population is approximately 1.51 million with a number of cities including Bethany, Del City, Edmond, Midwest City, Moore, Mustang, Nichols Hills, Norman, the Village, Yukon, and Warr Acres providing additional residential and commercial stability to the Oklahoma City metropolitan area.

The City provides all basic municipal services including, but not limited to, police and fire protection, parks, street maintenance, traffic control, water and sewer, airport facilities, and refuse collection. The City historically funds capital improvements for basic infrastructure through the issuance of general obligation bonds secured by ad valorem taxes. The City also uses Federal grants and sales tax revenues to finance capital improvements. In addition, public trusts were established to provide services and to issue revenue bonds for financing capital improvements.

**B. PUBLIC TRUSTS**

***Central Oklahoma Transportation and Parking Authority (COTPA)***

Established to finance, develop, and operate public transportation and parking systems. The Mayor, City Manager, City Finance Director, and five Mayor-selected and City Council-approved appointees are Trustees. The City Council approves the budget of COTPA and provides regular operating subsidies to the Authority. COTPA employees provide services to citizens.

***Oklahoma City Airport Trust (OCAT)***

Established to finance development solely for the City's airports. The Mayor, City Manager, a City Council member, a Trustee representing holders of junior and senior lien bonds, and a citizen of the City serve as Trustees. City employees manage Trust assets and provide services to citizens. The OCAT Fund is the only reporting fund.

***Oklahoma City Public Property Authority (OCPPA)***

Established to finance and operate five municipal golf courses, the Oklahoma City Fairgrounds, Prairie Surf Media (formerly Cox Center), Civic Center Music Hall (Civic Center), Paycom Center Arena, river improvements, Downtown Convention Center, economic development projects, and City office buildings. The City Council members serve as Trustees, and the City Manager is General Manager. OCPPA is reported in the OCPPA General Purpose Fund; OCPPA Golf Courses Fund; OCPPA Fairgrounds Fund; and OCPPA Services Fund.

***McGee Creek Authority (MCA)***

Established to finance the purchase of water storage rights at the McGee Creek Reservoir for the benefit of the OCWUT. The MCA Trustees are the Mayors/Chairpersons of the respective beneficiaries including the Chairperson of the OCWUT, the Mayor of Atoka, the Mayor of Oklahoma City, the Chairperson of the Atoka County Commission, and the Chairperson of the Southern Oklahoma Development Trust. The City's water utility revenues fund Authority operations and debt service. The MCA Fund is the only reporting fund.

***Oklahoma City Water Utilities Trust (OCWUT)***

Established to finance projects and development for the City's water and wastewater utilities. The City Manager, the Mayor, and one City Council member serve as Trustees of the Trust along with two Mayor and City Council appointees. Assets financed by the trust are managed by City employees who provide services to citizens. The OCWUT Fund is the only reporting fund.

***Oklahoma City Zoological Trust (OCZT)***

Established to finance and operate the Oklahoma City Zoo. Trustees include the Mayor, one City Council member, the City Manager, and six Mayor-selected and City Council-approved appointees. The City Council approves the OCZT sales tax budget and regularly transfers sales tax designated for the Zoo to the Trust. Significant land and improvements, owned by the City, are leased to the OCZT at nominal cost. OCZT employees manage Trust assets and provide services to citizens.

***Oklahoma City Economic Development Trust (OCEDT)***

Established to finance the encouragement of economic development within or near the City by providing loans, grants, and other incentives in furtherance of job creation and private investment in the community. The Mayor nominates and City Council confirms the appointment of five Trustees. OCEDT is designated to receive tax apportionment revenues for certain tax increment districts of the City. OCEDT is a component unit of the City because the City appoints all the Trustees, the City must approve all debt issuances, and OCEDT is fiscally dependent on the City for tax apportionment revenues pledged to repay bonded debt.

**II. BOND GUARANTORS**

Various bond issues of the public trusts and authorities are insured by bond insurance companies. Public trusts and authorities utilizing bond insurance include: OCPPA, OCZT and MCA. Financial information for these providers of bond insurance may be obtained from the insurers.

**III. ISSUANCES**

**General Obligation Bonds, Series 2022**

**V. AGREEMENTS OF SUPPORT**

***COTPA***

Concurrent with the issuance of the 2019 Bonds, COTPA and the City entered into an agreement. The agreement provides for financial support of COTPA's parking system from legally available funds of the City. The City is required to replenish COTPA's bond reserve account if the balance in such account remains below the minimum required amount for a period of five months. The City is further required to replenish the bond reserve account at least two business days prior to an interest payment date for the Series 2019 Bonds from legally available sources. The agreement is on a year-to-year basis to be renewed annually until the principal and interest has been paid on the Series 2019 bonds.

***OCPPA***

OCPPA Series 2010 Bonds, secured by, among other things, an agreement of support between the Trust and the City, dated as of September, 2010. The agreement provides for financial support from legally available funds of the City. The City agrees that if for any reason the principal and interest for the bonds are not paid as due, the City will transfer to OCPPA amounts sufficient to pay the principal and interest due.

OCPPA Series 2012 Bonds, secured by, among other things, an agreement of support between the Trust and the City, dated as of July, 2012. The agreement provides for financial support from legally available funds of the City. The City agrees that if for any reason the principal and interest for the bonds are not paid as due, the City will transfer to OCPPA amounts sufficient to pay the principal and interest due.

***MCA***

In 1993 MCA issued Bonds, Series 1992, which are secured by an agreement of support between OCWUT and MCA. Pursuant to the OCWUT Agreement dated December 1, 1992, OCWUT granted a security interest in its revenues, which are not required for debt service, reserves, other outstanding requirements, or operations and maintenance expenses. OCWUT is required to transfer the funds necessary for MCA to pay the principal and interest of the Bonds annually, net of available funds of MCA. The Series 1992 Bonds mature on January 1, 2023. The payments for the final year will be paid from the reserve funds already held by MCA.

**OCEDT**

OCEDT and the City entered into Agreements of Support for Tax Incremental Financing (TIF) Tax Anticipation Notes, the 2013 Tax Apportionment Bonds and the Tax Increment Revenue Bonds, Taxable Series 2018. The agreement provides for financial support from legally available funds of the City. The agreements are on a year-to-year basis to be renewed annually until the principal and interest has been paid on the Tax Apportionment Notes and Tax Apportionment Bonds.

# General Obligation Bonds

**I. GENERAL OBLIGATION BONDS**

The voters, at specially called elections, approve general obligation bond propositions which authorize the City to issue general obligation bonds for various municipal improvements. State law limits general obligation bonds to 25-year terms and the City has a long-standing practice of issuing them for 20-year terms. General obligation bonds are repaid by ad valorem property taxes and backed by the full faith and credit of the City. The majority of the City's general obligation bonds are issued pursuant to Article 10, Section 27 of the Oklahoma Constitution and have no legal debt limitations. General obligation bonds issued, for economic development purposes, pursuant to Article 10, Section 35 are limited to a maximum annual levy of five (5) mils. The City's borrowing capacity is managed by maintaining the City's debt at a responsible level.

**III. PROPERTY TAX LEVY**

Effective November 1, 2006 per Oklahoma State Statute 62, section 431, the total property tax levy calculates the interest reserve accrual through April 1st of the second ensuing fiscal year.

These principal and interest reserve accruals, combined with one-third of the judgment installments due in the coming fiscal year, as well as the interest accrued on the judgments, will be the total requirements for the coming fiscal year. The total levy will be the requirements netted with the cash surplus at the end of the prior fiscal year, combined with the reserve for delinquent taxes (between 5% and 20%).

In July 2012, the City Council approved a comprehensive and updated investment policy. The policy recognizes standards promulgated by the Government Finance Officers Association and the Association of Public Treasurers of the United States and Canada. The policy incorporates City Charter, Municipal Code, and statutory requirements. In accordance with the policy, the City Treasurer will follow three major, prioritized objectives in investing the City's funds: safety, liquidity, and return on investments. The notes to the financial statements in the Annual Comprehensive Financial Report (ACFR) have additional information including investment policies and risks.

**II. REVENUE BONDS**

Due to restrictions of the State constitution relating to the issuance of municipal debt, many of the City of Oklahoma City’s public trusts and authorities were created to finance City services with revenue bonds or other non-general obligation financing. The Oklahoma City Airport Trust (OCAT), Oklahoma City Public Property Authority (OCPPA), The Central Oklahoma Transportation and Parking Authority (COTPA), Oklahoma City Water Utilities Trust (OCWUT), McGee Creek Authority (MCA), Oklahoma City Zoological Trust (OCZT), and Oklahoma City Economic Development Trust (OCEDT) have revenue bonds outstanding.

Revenue bonds outstanding consist of debt issued by the various public trusts and authorities. The debt of these public trusts and authorities does not constitute debt of the City and is payable solely from resources of the trusts and authorities. Revenue bonds are collateralized primarily by the respective facilities and the revenues derived from them. Debt is issued for the purposes of the public trust or authority responsible for payment.

**I. CENTRAL OKLAHOMA TRANSPORTATION AND PARKING AUTHORITY (COTPA)**

On October 8, 2019, COTPA issued \$13,805,000 in Parking Revenue Bonds, Series 2019 with an average interest rate (coupon) of 3.01%. The proceeds of \$13,805,000 from the bonds, less \$197,557 in issuance costs, were used to finance a portion of the construction of a new parking garage near the new MAPS 3 Oklahoma City Convention Center. The bonds are collateralized principally by the net revenues of the parking system and revenues pledged by the City under an agreement of support (City Agreement).

The Series 2019 Parking Revenue Bonds mature on September 1, 2020 through September 1, 2044. Interest payments are payable on September 1 and March 1 beginning March 1, 2020. The Series 2019 Bonds are subject to optional redemption on or after September 1, 2029. Series 2019 Bonds outstanding at June 30, 2022, are \$12,980,000.

On June 20, 2013, COTPA issued \$22,000,000 in Parking Revenue Bonds, Series 2013 with an average interest rate (coupon) of 4.5%. The proceeds of \$22,000,000 from the bonds, less \$250,453 in issuance costs, were used to finance construction of a new parking garage in downtown Oklahoma City, known as the Arts District Garage. The bonds are collateralized principally by the net revenues of the parking system and revenues pledged by the City under an agreement of support (City Agreement). The Series 2013 Parking Revenue Bonds were defeased in September 2019 with the proceeds from the 2018 sale of the Santa Fe Parking Garage and certain funds held under the Refunded Indenture.

Concurrent with the issuance of the Series 2019 Bonds, the Authority and the City entered into an agreement. The City Agreement provides for financial support of COTPA's parking system from legally available funds of the City. The City is required to replenish COTPA's bond reserve account if the balance in such account remains below the minimum required amount for a period of five months. The City is further required to replenish the bond reserve account at least two business days prior to an interest payment date for the Series 2019 Bonds from legally available sources. The City Agreement is on a year-to-year basis to be renewed annually until the principal and interest has been paid on the Series 2019 bonds.

On October 1, 2009, the sale of the City Center West Parking Garage to Devon Energy Corporation resulted in the vacation and demolition of the Scissor Parking Facility. The sale of the garages allowed the partial defeasance of the Series 2006 Parking Revenue Bonds in the amount of \$6,895,000 at a cost of \$7,637,097. COTPA defeased the Series 2006 Parking Revenue Bonds with \$1,057,210 of the net proceeds from the sale, bond fund reserves of \$219,887, a payment from the Oklahoma City Economic Development Trust of \$4,360,000 and a contribution from the Oklahoma City Urban Renewal Authority of \$2,000,000.

On January 11, 2012, the Broadway Kerr Parking Garage was sold to Sandridge Realty, L.L.C. for a total of \$8,677,334 net of closing costs and rental income adjustments. A total of \$12,111,260 was placed into a special escrow account, thereby defeasing the remaining Series 2006 Bonds outstanding balance of \$9,060,000. The \$12,111,260 consisted of proceeds from the sale of the garage of \$8,677,334, along with excess bond fund reserves and all accumulated reserves in the debt service accounts of \$3,433,926. The proceeds from the sale and accumulated bond fund reserves were used to retire \$9,144,150 of bond principal and interest payments.

In addition, \$58,250 of the net proceeds were used to pay fees and costs relating to the bond defeasance. Excess proceeds of \$2,908,860 were returned to COTPA after the last payment for the Series 2006 bonds were fully paid on July 1, 2012.

**II. PARKING RATES**

Monthly parking rates are established by facility and based on the location of the facility and the rates charged by surrounding facilities. Additionally, the COTPA Parking has established a rate structure for each facility, which offers volume discounts for groups of customers from the same organization.

## **I. OKLAHOMA CITY AIRPORT TRUST (OCAT)**

The OCAT has at various times issued bonds for the purpose of financing the construction of certain facilities and improvements for the airports and air navigation facilities of the City of Oklahoma City (City). The bonds that have been issued by the Trustees are of three types: senior lien bonds and junior lien bonds issued pursuant to the bond indenture and separate lease revenue bonds issued pursuant to separate indentures.

### **Senior Lien Bonds**

The senior lien bonds are secured by a mortgage lien on all facilities constructed with the bond proceeds and OCAT's leasehold interest in and to the City's airports, together with all buildings and improvements, including all lease rentals and other Trust revenues derived there from, and all property pledged as security under supplemental bond indentures to the bond indenture. There are no senior lien bonds outstanding. There are no current plans to issue new senior lien bonds.

### **Junior Lien Bonds**

Thirty one series of junior lien bonds were issued pursuant to supplemental bond indentures to the bond indenture, and are secured by a pledge of the gross revenues of the Airports, subject to the debt service requirements of the senior lien bonds. The bond proceeds were used to construct various facilities at the City's airports.

Thirty two series A and B of junior lien bonds were issued pursuant to supplemental bond indentures to the bond indenture, and are secured by a pledge of the gross revenues of the Airports, subject to the debt service requirements of the senior lien bonds. The bond proceeds were used to refund the twenty nine series A and B of bonds.

Thirty three series of junior lien bonds were issued pursuant to supplemental bond indentures to the bond indenture, and are secured by a pledge of the gross revenues of the Airports, subject to the debt service requirements of the senior lien bonds. The bond proceeds were used to finance a terminal expansion and rehabilitation.

Thirty four series of junior lien bonds were issued pursuant to supplemental bond indentures to the bond indenture, and are secured by a pledge of the gross revenues of the Airports, subject to the debt service requirements of the senior lien bonds. The bond proceeds were used to partially refund the thirty one series bonds.

The bond indenture and its supplements require the use of a project account, bond (sinking) account, and various construction accounts. These accounts are held by a trustee bank and managed pursuant to terms of the bond indenture. The bond indenture provides that gross revenues from operations will be deposited into the project account and transfers will be made to the other accounts for current requirements on a monthly basis.

### **Lease Revenue Bonds**

The Trustees issued separate lease revenue bonds on October 1, 1991 and November 1, 1992, pursuant to a separate bond indenture (1991 Indenture) for the purpose of constructing the Registry Building. The lease payments deposited to the accounts created under the 1991 Indenture secure the debt payments for the Registry Building bonds only and OCAT has no obligation for the debt beyond the payments received under this lease.

On November 1, 1992 and June 1, 1995, the Trustees issued separate lease revenue bonds pursuant to a separate bond indenture (1992 Indenture) for the purpose of constructing the Federal Transfer Center for the Federal Bureau of Prisons (FBOP). Lease payments deposited to the accounts created under this 1992 Indenture secure the debt payments for this facility only and the Trust has no obligation for the debt beyond the payments received under this lease.

**OKLAHOMA CITY AIRPORT TRUST  
FINANCIAL INFORMATION AND OPERATING DATA  
JUNE 30, 2022**

**CITY OF OKLAHOMA CITY, OKLAHOMA**

The bonds are generally subject to prior redemption in part or in whole at the option of the Trustees. However, certain minimum redemptions are to be made as set forth in the various bond indentures in the event there are any available funds. Certain bonds are subject to a redemption premium of up to 5% of par value, as described in the various bond indentures, if redeemed prior to scheduled dates. OCAT has complied with all bond covenants at June 30, 2022.

Proceeds from tax-exempt bonds issued after September 1, 1986 are subject to the 1986 Tax Reform Act. The Trust complies with Internal Revenue Service regulations in order to maintain tax-exempt status on the bonds. The Trust has no arbitrage rebate liability at June 30, 2022.

## **I. OKLAHOMA CITY PUBLIC PROPERTY AUTHORITY (OCPPA)**

Since its creation in 1961, the OCPPA has financed various improvements through the issuance of bonds, bank loans, and loans from other governmental agencies or public trusts. These bonds, notes, and loans are secured by instruments separate and apart from the respective bond indentures.

### ***Golf Courses***

In September, 2010, the OCPPA issued \$8,465,000 Revenue Refunding Bonds, Series 2010 to provide funds, along with other available monies, to (1) defease the Revenue Bonds, Series 1998; (2) provide funding for construction, improvements, and renovation to certain of the City's municipally owned golf courses, which are leased to the OCPPA; and (3) provide for payment of the costs of issuance of the Revenue Refunding Bonds, Series 2010.

In July, 2012, the OCPPA issued \$7,565,000 in Series 2012 golf bonds for improvements to Lincoln Park Golf Course. The Series 2012 golf bonds less issue costs of \$75,115 will be used to supplement the City 2010 general obligation bond amount of 2,250,000 to be used for construction and renovation of the course facilities.

Golf course bonds outstanding at June 30, 2022, are \$7,630,000.

### ***Fairgrounds***

The fairgrounds facility is owned by the City and leased to the OCPPA pursuant to a lease agreement dated November 1, 1961, as amended. The term of the lease has been extended for so long as the bonds remain outstanding.

On December 15, 1972, City voters approved a 2% hotel tax for the purpose of encouraging, promoting, and fostering the convention and tourism for the City. A similar election held on December 14, 2004, repealed the 2% levy and enacted a new 5.5% hotel tax rate beginning January 1, 2005. Pursuant to the security agreement, the City agrees on a year-to-year basis to transfer the hotel tax revenues to the OCPPA.

The bonds are limited obligations of the OCPPA payable solely from the trust estate pledged under the indenture consisting of the convention and tourism development portion and the fairgrounds development portion of the hotel tax revenues received by the OCPPA from the City pursuant to the security agreement. Interest on the bonds is payable each April 1 and October 1.

On August 1, 2007, the OCPPA issued \$20,000,000 in Oklahoma City Public Property Hotel Tax Revenue Bonds, Series 2007A for the purpose of funding various fairgrounds renovations, primarily the Norick Coliseum, the prime location for all equine events. Other significant uses of funds include a new gateway, security fencing, transportation trams, and parking lots and associated drainage. Total proceeds included \$322 thousand in premium. Issuance costs were \$397 thousand. These bonds were paid in full with the proceeds from the issuance of the Revenue Refunding Bonds, Series 2018.

On October 1, 2011, OCPPA issued \$9,285,000 Hotel Tax Revenue Bonds, Series 2011. The proceeds of \$9,183,007 from the bonds, less \$183,007 in issuance costs, will be used to finance the construction and renovation of the City of Oklahoma City Fairground facilities.

On November 29, 2012, OCPPA issued \$3,000,000 Hotel Tax Revenue Bonds, Series 2012. The proceeds of \$3,000,000 from the bonds, less \$30,000 in issuance costs, will be used to finance improvements to the outdoor practice arena on the west side of the fairgrounds. On July 30, 2015 these bonds were paid in full with the proceeds from the issuance of Revenue Refunding Bonds, Series 2015.

**CITY OF OKLAHOMA CITY, OKLAHOMA**

In July, 2015, the OCPPA issued \$58,305,000 Revenue Refunding Bonds, Series 2015 to provide funds, along with other available monies, to (1) defease the Revenue Bonds, Series 2005; (2) provide funding for construction and renovation of the City's Fairgrounds; (3) establish the Reserve Requirement of \$201,203 and (4) provide for payment of the costs of issuance of the Revenue Refunding Bonds, Series 2015.

In October, 2018, the OCPPA issued \$14,400,000 Revenue Refunding Bonds, Series 2018 for the purpose of refunding the Revenue Bonds, Series 2007A.

The indenture requires the use of project, principal, interest, and reserve accounts.

Fairground bonds outstanding at June 30, 2022, are \$61,015,000.

The OCPPA may enter into separate agreements in the future for the purpose of providing financing for additional projects. Any future bonds, notes, or loans of the OCPPA will be issued under separate and distinct indentures or resolutions and secured by instruments, properties, and revenues separate from those securing existing debt. The owners of other bonds, notes, or loans will have no claim on assets, funds, properties, instruments, or revenues of the OCPPA securing such other bonds, notes, or loans.

### **I. MCGEE CREEK AUTHORITY (MCA)**

The McGee Creek Project is a water supply reservoir constructed by the Federal government and accepted by the MCA in fiscal year 1991. The MCA is required to repay the municipal and industrial portion of the construction costs plus interest over a period of 50 years beginning July 1991.

In fiscal year 1993, the MCA issued McGee Creek Authority Water Revenue Bonds, Series 1992, (MCA bonds) in the amount of \$91.86 million. The MCA bonds are secured by an agreement of support between the MCA and OCWUT. Pursuant to the agreement of support, dated December 1, 1992, OCWUT granted a security interest in its revenues, which are not required for debt service, reserves, other outstanding requirements, and operations and maintenance expenses. OCWUT is required to transfer the funds necessary for the MCA to pay the principal and interest of the bonds annually, net of available funds of the MCA. The MCA has recorded an advance from OCWUT to recognize the amount transferred under the OCWUT agreement.

The general bond indenture provides that the Trustees of the MCA will generate an amount annually equal to 100% of the annual principal and interest requirements on the MCA bonds for the year, plus generate an amount necessary to comply in all respects to the terms and provisions of the MCA bond indenture. The trust indenture details how the revenues will be generated from aliquot share payments from the Participants of the Authority (Participants) for this purpose. Amounts received from Participants and OCWUT are considered in determining the amount needed to comply with the indenture requirements.

The general bond indenture and its supplement require the use of bond proceeds, project revenue, and bond accounts. These accounts are held in trust by banks and managed pursuant to terms of the indenture agreement. The indenture provides that gross revenues from operations will be deposited into the revenue account and transfers will be made to the other accounts for current requirements on a monthly basis. However, if the payments and deposits required by the general bond indenture are made on or before the 25th day of the month, then during the subsequent month, the gross revenues may be deposited as received directly into the MCA's operating fund, which is not subject to the lien of the indenture. For the year ended June 30, 2022, all the accounts were maintained in accordance with the bond indenture.

Interest on the MCA bonds is payable semi-annually on January 1 and July 1 of each year beginning July 1, 1993, continuing until the principal amount of the MCA bonds is paid. MCA bonds outstanding at June 30, 2022, are \$6,275,000.

**I. OKLAHOMA CITY WATER UTILITIES TRUST (OCWUT)**

The OCWUT issued various bonds for the purposes of financing the acquisition, construction, and equipping of the City of Oklahoma City's (City) water, wastewater, and solid waste management systems. The bonds are collateralized by a mortgage lien on all facilities constructed with the bond proceeds and by the OCWUT's leasehold interest in all of the presently existing water, wastewater, and solid waste management systems of the City, including lease rentals, water revenues, wastewater revenues, solid waste management revenues, and other revenues derived from these facilities.

The general bond indenture and its supplements require the use of revenue, bond, operations and maintenance, reserve, construction, and renewal and replacement accounts. These accounts are held in trust by banks and managed pursuant to terms of the indenture agreements. The indentures provide that gross revenues from operations are deposited into the revenue account and transfers are made to the other accounts for current requirements on a monthly basis. However, if the payments and deposits required by the general bond indenture are made on or before the 25th day of the month, then during the subsequent month, the gross revenues may be deposited as received directly into the OCWUT's operating fund, which is not subject to the lien of the indenture. For the year ended June 30, 2022, the accounts were maintained in accordance with the bond indentures.

The bonds are generally subject to prior redemption in part or in whole at the option of the Trustees. Certain bonds are subject to a redemption premium of up to 2% of par value, as described in the various bond indentures, if redeemed prior to scheduled dates.

The general bond indenture provides that the Trustees of the OCWUT fix, maintain, charge, and collect a schedule of rates for use of the facilities of the trust estate that provide in every year net revenues which amount to at least 120% of the maximum amount required for debt service. For the year ended June 30, 2022, the schedule of rates in effect provided revenues in excess of the minimum requirements.

Interest on the Series 2013, 2015, and 2016 bonds is payable on the first day of January and July of each year through maturity.

### **III. WATER/WASTEWATER OPERATING STATISTICS**

#### ***Rates***

Multi-year revenue adjustments are made based on the results of an independent cost of service study and / or a financial plan prepared by the OCWUT's financial advisor. The resulting rate changes are proposed to meet anticipated expenses for operations, debt service, and capital improvements.

Since 2004, the Issuer and City Council have voted for multi-year rate adjustments six times.

The sixth adjustment series is effective June 1, 2022, and subsequent adjustments going into effect on January 1 of 2023, 2024, 2025 and 2026 with an average annual rate adjustment of 5%. The cost of service and rate design study recommendations focused on balancing the dichotomy of affordability and sustainability which provides low bill impacts to low-volume residential users while also recovering sufficient revenue to sustain utility operations and improvements. The residential customer class has a four-tier inclining volumetric rate of which the fourth-tier threshold was adjusted from 30,000 gallons down to 25,000 gallons to provide pricing signals for efficient use of water and adequate cost recovery based on usage. Additionally, a new customer class for multi-family customers, quadplexes and above was created.

Residential wastewater charges are calculated on a winter period consumption base, which is the average monthly amount of the metered water consumed by a residential unit during a three-month period falling between December 1 and February 1. Water from private sources is metered as set forth in City ordinances and the wastewater service charges are billed accordingly.

Industrial waste contributors are assessed a surcharge for waste exceeding concentrations greater than domestic wastewater as defined by City ordinances. The surcharges per million gallons (MG) recover costs of treatment and encourage businesses to reduce their discharge concentration through pre-treatment or other alternatives. Surcharges include biodegradable oxygen demand (BOD) and suspended solids (SS).

**Customers**

As of June 30, 2022, the Oklahoma City Water System had 233,153 active accounts, a 1.89% increase over the average of 228,817 accounts for the 12 months prior. The average annual daily amount of water pumped into the distribution system in 2022 was 97.41 million gallons, a .60% decrease from the 98.0 million gallons pumped in 2021.

The largest class of Water System customers is residential customers representing 49.39% of the total usage. The second largest class of customers is non-residential customers representing 38.32% of the current total consumption. Multi-family customers represent 12.29% of the total. Total water consumption is expected to increase as population in the metropolitan area increases.

As of June 30, 2022, the Wastewater System had 220,512 customers, a 1.79% increase over the average of 216,640 accounts for the 12 months prior. The average annual daily amount of wastewater treated from the collection system was 64.41 m.g.d., a 21.15% decrease from the 81.69 m.g.d. treated in 2021.

The largest class of Wastewater System customers is residential customers representing 43.44% of the current total usage. The second largest class of customers is non-residential customers representing 31.57% of the current total usage. The third largest class is multi-family customers representing 13.75% of the current total usage. Reclaimed Waster customers represent 11.25% of the current total usage.

**V. SOLID WASTE MANAGEMENT OPERATING STATISTICS**

***Service Area***

The solid waste management is responsible for administering a comprehensive residential solid waste system for the City, serving 206,933 urban and 9,544 rural customers within the city limits as well as limited commercial service to 4,266 customers. Collection of residential solid waste is performed by both City and privately contracted crews. City crews service 85,352 urban customers, the contracted crews service 128,847 urban customers and 9,544 rural customers.

The solid waste management contracts with four area landfills for disposal of residential solid waste collected within the City. In addition, solid waste management is responsible for various environmental services including funding of street sweeping, clean up of illegal trash dumps on the right of way, and assistance with storm debris collection throughout the City. Solid waste management also contracts out for fleet maintenance of the vehicles used by City crews.

***Rates, Fees and Charges***

The City Council has approved increases to Solid Waste service charges by 3.0% per year effective June 1, 2022, and each January 1st thereafter through 2026.
