

MEMORANDUM

Council Agenda
Item No. IX.A.
2/16/2016

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: James D. Couch, City Manager

Resolution approving MAPS 3 Transit/Modern Streetcar Route Option 3, Project M3-S007, connection to the MAPS 3 Convention Center; and authorizing an increase in the MAPS 3 Transit/Modern Streetcar project budget in the amount of \$3,000,000 using Oklahoma City Capital Improvement Sales Tax Funds designated as MAPS 3 program contingency funds for the route revision.

Background

As part of the MAPS 3 Program, The City of Oklahoma City will construct a new rail-based streetcar system and other transit infrastructure as appropriate.

Jacobs Engineering Group was tasked with considering route alternatives to connect the approved route alignment with the MAPS 3 Convention Center. Jacobs developed several route options and has recommended Option 3 to connect the route to the MAPS 3 Convention Center. To fund the route revision, the recommendation includes utilizing \$3,000,000 in Oklahoma City Capital Improvement Sales Tax contingency funds.

The design team will make a presentation for the recommended option.

The route was recommended by the MAPS 3 Citizens Advisory Board on January 28, 2016.
