Dear Fellow Oklahoman,

Did you know that earlier this year the Center for Disease Control announced a new prevalence rate for autism? They now report **that 1 in 68 children will be diagnosed with autism spectrum disorder**. These children need our immediate assistance, and they need it today. Chances are, if you do not know someone with autism today, you will soon.

Here in Oklahoma, we take pride in caring for our children, our family and our neighbors. At AutismOklahoma.org, we are committed to providing hope, information and support to families that are now re-mapping their lives.

AutismOklahoma.org's **PieceWalk & 5K** is the premier fundraising and awareness event in Oklahoma for autism support. Last year more than 8,000 walkers and runners joined us in Bricktown to show support for this cause. This year's event also will be held at the Chickasaw Bricktown Ballpark on May 7, 2016. We invited you to consider joining us for this cause. There are many opportunities available for your participation including sponsorship, advertising, product donations and corporate level participation.

The goal of the PieceWalk is to fund programs that will improve awareness, education and quality of life for families affected by autism. Finding and accessing resources to can be very difficult. Currently, Oklahoma is one of 12 states that does not require private insurance companies to cover the cost of autism treatments. We are grateful for the professionals that continue to serve in Oklahoma despite this challenge. Parents helping each other has become a primary solution in addressing the needs of families.

AutismOklahoma.org has more than 400 volunteers helping to serve more than 4,500 families! We have experienced exponential growth since our formation in 2002. Today, we provide 48 different programs including eight parent support groups, summer camps, social groups and pre-employment clubs that serve 250 individuals with autism. We also provide awareness and education for Oklahoma communities.

By supporting our walk for autism, you and/or your company will demonstrate and receive recognition for your commitment to improve the lives of Oklahomans. Thank you for your kind consideration of this request for your support.

We will be in contact with you soon to visit with about AutismOklahoma.org and the Piece Walk & 5K. We are excited for the opportunity to make a difference and to help link others to the cause. If you have any immediate questions, please feel free to contact Crystal Frost at [Crystal@AutismOklahoma.org](mailto:Crystal@AutismOklahoma.org)

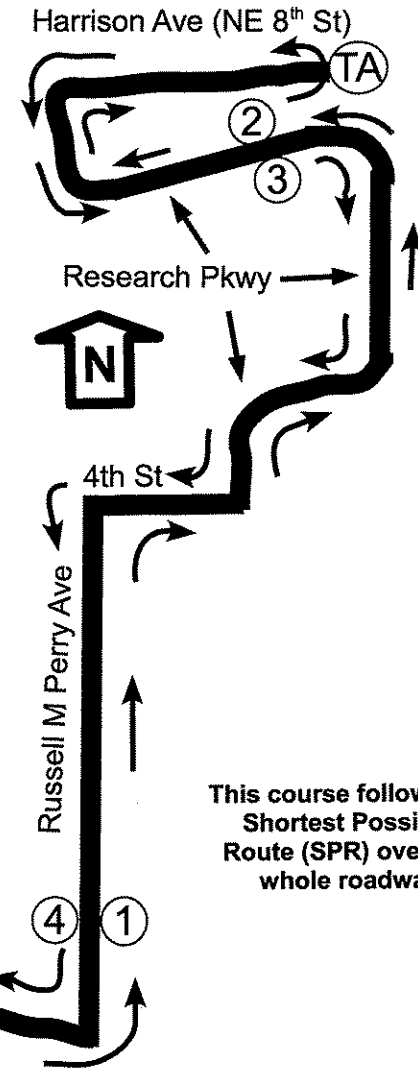

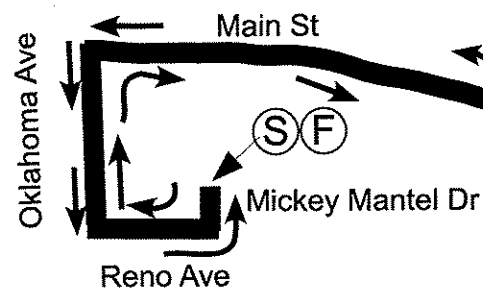

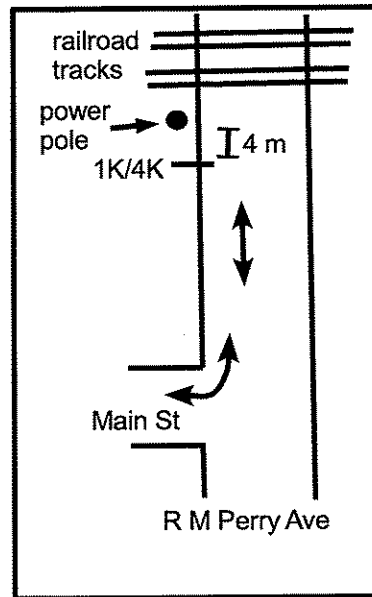

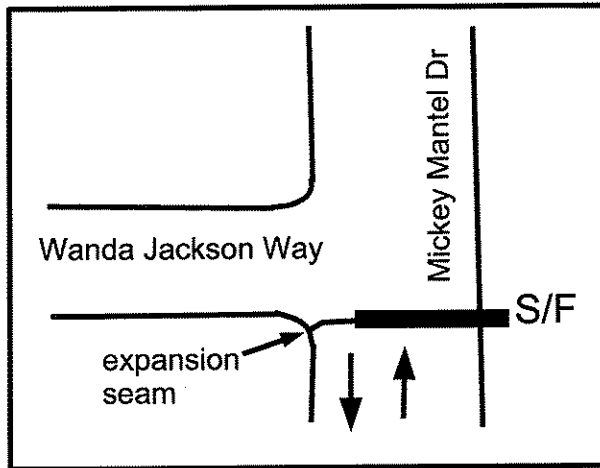

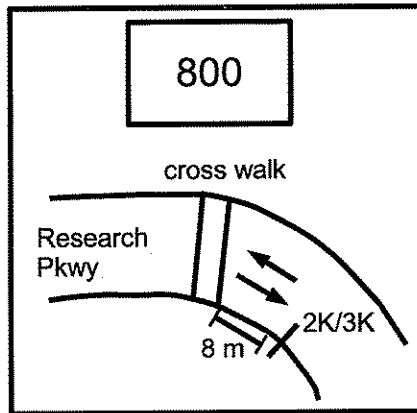

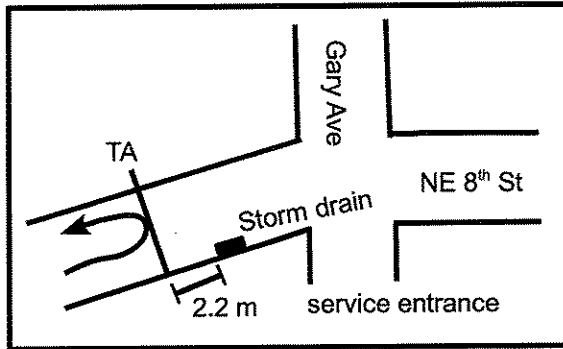

Sincerely,
