Exhibit B

Event Traffic Control Plan Description

- I. No barricades will be used on the route. The walkers will leave the start line at approximately 9:40 am on Saturday, May 14, 2016. All walkers will return to the start/finish line by 10:30am to 10:45am.
- II. The walk route (Exhibit A) is approximately 2 miles. Oklahoma City Police personnel will provide the necessary traffic controls at intersections and will provide escorts while on the route.
- III. Volunteers will be posted along the route with signs guiding walkers and to assist with crowd control.
