Bid Notes **Under Bid Specifications - Technical Provisions - Specifics - Item #1 - A. Make three (3) operational inspections and needed maintenance visits of said equipment each year. On the Item Response Form is asking for a unit price monthly. Are we to split the total maintenance cost by 12 for monthly invoicing? - Mar 07, 2023 10:56:35 AM CST**

Answer - Mar 09, 2023 10:20:21 AM CST

Invoicing for the 3 operational inspections and needed maintenance should be when the inspection is completed each time the work has been completed, not monthly. Please let us know if that does not answer your question.
