

REQUIREMENTS FOR REVOCABLE PERMITS

1. Submit Four (4) completed copies of the revocable application form, completed and containing original signatures.
2. Letters of no objection from the four franchised utility companies.(See “Utility Contacts”, attached)
3. Letters of no objection from the owners of the properties that abut the proposed improvement.
4. Include a site plan (8 copies required). The site plan should show the property lines, curb lines, centerline of streets, right-of-way widths, utility and/or drainage easements, driveways, and/or sidewalks, and the proposed improvements. Dimensions should be included to show the relationship of the centerline of the adjacent streets. Other dimensions, as applicable, should be shown.
5. A check for \$151.50 made payable to the “City of Oklahoma City.”
6. Submit proof of insurance policy (original) with standard comprehensive public liability coverage including contractual liability insurance covering bodily injuries and property damage naming the applicant/permittee and the City as co-insured, issued by an insurance company, authorized to do business within the State.
7. After the review is completed and any deficiencies are corrected, the application will be docketed for City Council consideration. The council memo that accompanies the application has to be prepared four weeks in advance of the council hearing. Accordingly, applications should be submitted well in advance of the date that the permit is needed.
8. For improvements requiring a building permit, a review slip from the plan review section.

APPLICATION FOR REVOCABLE PERMIT

TO THE HONORABLE MAYOR AND CITY COUNCIL
OKLAHOMA CITY, OKLAHOMA

Come now the _____ and applies to the
City Council of Oklahoma City for a permit to _____
_____ within the City of Oklahoma City.

The description of said improvement is as follows:

And the location of said improvement and all existing utilities are shown on the attached survey.

By: _____
AGENT

RP- _____

REVOCABLE PERMIT

This Revocable Permit made and entered into this _____ day of _____, 20____, by and between THE CITY OF OKLAHOMA CITY, hereinafter called First Party, and _____, owner, hereinafter called Second Party.

WITNESSETH:

WHEREAS, the Second Party desires to erect, construct, and maintain _____ over, under, or on a portion of the public way or easement, or City owned property at _____ in Oklahoma City, Oklahoma.

NOW THEREFORE, in consideration of the covenants and agreements hereinafter set forth, it is mutually agreed by the parties hereto as follows:

1. First Party hereby grants Second Party a Revocable Permit for the purpose of erection, construction, and maintenance of a _____ over, under, or on a portion of the public way or easement, or City owned property at _____ in Oklahoma City, Oklahoma, in accordance with the attached plan.

2. Second Party agrees to erect, construct, and maintain said _____ in a safe and proper manner, with an attractive appearance, and further agrees to defend, protect, and save harmless said First Party and the City of Oklahoma City from any and all damages, claims, or causes of action whatsoever arising out of the erection, construction, maintenance, and existence of said structure(s) and/or improvement(s).

3. It is mutually agreed and understood between the parties hereto that by reason of the issuance of this permit, the Second Party acquires no property or contract rights and it is further agreed and understood that this Revocable Permit may be revoked or canceled at the discretion of the First Party at any time.

4. Second Party agrees that in the event of revocation, it will comply with the revocation order and will promptly restore the above described premises to the original condition at its own expense. It is expressly agreed and understood between parties hereto that should it become necessary to remove the structure(s) and/or improvement(s) permitted herein in whole or in part as to allow the City to utilize its easement or property in any manner permitted by law, the City and the City Engineer shall not be deemed responsible for any loss suffered by reason of such removal. Further, Second Party agrees and understands that he acts at his own risk erecting or constructing said structure(s) and/or improvement(s) within, over, under, or upon the City's public way, easement or property. The Second Party further agrees and understands that the Revocable Permit granted hereby is in no manner intended to convey any vested or other interest whatsoever in the subject public way, easement, on property nor shall it be so construed.

5. Second Party agrees that all construction within the right-of-way, easement, or City owned property will be in accordance with City standard specifications and all disturbed areas will be restored to its original condition, which shall include, but not limited to, backfilling all trenches, fill all holes caused by shrinkage, and cover all sodded areas with slab sod.

6. Second Party shall be responsible for locating and protecting all existing utilities and other improvements within the City right-of way. Excavators shall notify the pipeline operator immediately if the excavators' work damages a pipeline and shall call 911 or other local emergency response number immediately if the damage results in a release of natural gas or any other hazardous substance or potentially endangers life, health, or property. Contact OKIE at 840-5032 to locate utility improvements. For City utilities contact the following: For Sanitary Sewer and Water Lines, contact the Dispatch Office at 297-2809; Storm Sewer, Adair Agrawal, 297-3126.

7. Second Party shall be responsible for replacing all traffic control devices that are damaged, destroyed or removed during construction. Devices shall be in conformance with the "Manual on Uniform Traffic Devices." For traffic conduit location contact Traffic Operations at 297-2648, 48 hours prior to construction.

8. Second Party shall not assign or transfer the permission granted by this Revocable Permit.

9. If application pertains to the placement of private water or sanitary sewer service lines, the following shall apply:

- a. Second Party shall, at his expense, disconnect his private line and reconnect to the City main, should the City construct or cause another to construct a main which will serve the Second Party's premises
- b. Second Party shall, at his expense, relocate his private line should the right-of-way be needed for City or public purposes.

10. Second Party agrees that this Revocable Permit is subject to the following conditions:

a. Second Party shall _____

IN WITNESS WHEREOF, the parties have caused this permit to be executed by their proper officers thereunto authorized the day and year first above written.
