

# Wipes Clog Pipes

#FlushSmart

The City of  
**OKLAHOMA CITY**  
Utilities Department

Keep your pipes happy —  
only flush toilet paper and human waste.

**DO NOT FLUSH THE FOLLOWING:**

Hygiene, disinfecting,  
or diaper wipes. Even  
wipes marketed as  
“flushable”  
can cause clogs.

**Toss them in the trash.**

Tissues  
Dental Floss  
Cat Litter  
Hygiene Products  
Disposable Gloves  
Cotton Swabs  
Pills or Medicines  
Diapers  
Paper Towels

#30404-I-341

# Leave Space. Be Safe.

- Our waste collection trucks **stop and start frequently.**
- Be sure to **leave plenty of space** on the side, and in the front, when you need to pass.
- Make sure **you can see the truck behind you** before you re-enter the lane.

When passing, watch out for trucks moving **between houses.** Allow about three car lengths before re-entering the lane in front of a trash or recycling truck.
