

MEMORANDUM

Council Agenda
Item No. VII.BA.
5/17/2016

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: James D. Couch, City Manager

Resolution approving Amendment No. 1 to contract with Brookville Equipment Corporation, Project M3-S005, MAPS 3 Modern Streetcar vehicles, increase of \$3,970,377.

Background

As a part of the MAPS 3 Program, The City of Oklahoma City will construct/purchase a new downtown modern streetcar system. Due to the unique nature of this project and the streetcar design options, the City selected a streetcar that best meets the City's needs.

A contract with Brookville Equipment Corporation was approved in March 2016 to purchase five vehicles. The contract included a provision to purchase an additional car within 90 days of approval of the contract. Due to the realigned streetcar route, which will provide streetcar service to the MAPS 3 Park and Convention Center, an additional streetcar is required.

The MAPS 3 Citizens Advisory Board recommended approval on April 28, 2016.
