Project: Public Art for the Diversion Hub

Total art award: \$40,000 (\$20,000 per piece)
Bid published: January 10, 2024
Bid deadline: February 7, 2024

I. Summary

The Diversion Hub is a comprehensive, one-stop network dedicated to assisting justice-involved individuals in Oklahoma City by harnessing the power of multiple support agencies through combined and synchronized services. Diversion Hub's goal is to provide life-stabilizing resources while empowering individuals to reduce their encounters with the criminal justice system through enhanced support services, including case management, data integration and coordinated communication under one roof.

Through MAPS 4, the Diversion Hub will receive a new facility to continue to transform the City's approach to criminal justice. The Diversion Hub will work with low-level offenders to provide a diversion away from time behind bars and a path towards a better life, which is the best possible outcome for that person and our community.

The 1% for Art funds for this project will be used to enhance the mission of Diversion Hub. The artwork for this RFQ is envisioned to be two flat works, each approximately **4 ft x 7 ft.**, that will be hung at selected locations inside the new facility. The artwork is not limited to a specific medium and can include but is not limited to oil, acrylic, watercolor, photography, digital art, ceramics, and more. The artwork's impact should reflect Diversion Hub's goals of **empowerment, motivation, encouragement, growth, and inspiration**. The artwork must be framed or otherwise completely finished and ready for display.

II. Budget

A total of two (2) artists/artist teams will be selected, one for each Art Award of \$20,000, which includes all costs for designing, creating, and installing the artwork, including but not limited to materials, engineering, research, fabrication, travel, transportation, and required insurance (see "Public Art Agreement Summary" below).

III. Eligibility

This opportunity is open to all practicing artists who are at least 18 years of age. All Artists and Artist Teams selected as finalists must attend all required information sessions and site visits. Artist Teams may include Artist Apprentices younger than 18, as long as written permission is provided from the Artist Apprentice's Parent or Guardian.

The Artist or Team that is selected for the Award may be required to identify a locally based (living within a 120-mile radius of the Project site) Project Representative, who is the main Project contact, and who can be on site or react on 24 hours' notice as needed for construction meetings and other contingencies. Artists may designate themselves, if locally based.
