Crochet for Threads for Compassion: This summer we partnered with the YWCA and Threads of Compassion to create scarfs for women who recently experienced sexual violence. The members made scarfs to donate for these purposes. At the end of the summer, the scarfs were packaged and taken to the YWCA Rape Crisis Center. For more information check out this website: [Threads of Compassion OKC | Helping Survivors of Sexual Assault \(threadsokc.org\)](https://www.threadsokc.org/)

Ceramic Studio Thursdays: On Thursdays we reserve the Art Studio for ceramic work! This means that every Thursday you can come in anytime during studio hours to create whatever ceramic piece you would like. These days are operated as “come and go” studio times, which allows you to arrive and leave whenever suits your schedule between 10:30am and when the studio closes at 2pm. If you are new to working with clay Wynter will be there to assist with any needs and help you get started using handbuilding techniques.

Open Studio: This is time set aside in the Art Studio for members to create whatever you want, or to finish any project that you have already started. Our Arts Coordinator, Wynter, will be there to assist with any needs, so you are welcome to bring any project or try something new in a supportive environment. You can utilize the materials that we have to offer or you can bring your own materials and utilize the space. *Please note that this is not time to start a new clay project. Beginning clay projects are reserved for Thursdays only.

***All workshops are located in the Art Studio (room 151). We provide all supplies necessary, so there are no additional costs for these workshops. For any questions, or if you would like to teach a workshop, please contact the Arts Coordinator, Wynter Johnston, Email: wynter.johnston@okc.gov, Phone: (405)246-3954.**
