8. The Architect and/or Engineer is responsible for reviewing the invoice, questioning and correcting any exceptions, executing the Supervisor’s Certificate for Payment and forwarding the invoice for payment by **E-Mail to the Public Works Project Manager**.

DIRECTIONS TO CITY STAFF

1. Submit an original uniform voucher/invoice form for each individual project number.
2. Trust Line. If the contract under which the invoice is being submitted was awarded by a Trust, write the name of that Trust on the “Trust” line in the upper left-hand corner of the document.
3. Examine and verify the invoice and supporting detail.
4. Enter the required information at the top right and the bottom of the page. The Account Information will be different for each form for an invoice with multiple funding sources.
5. For invoices to be paid from multiple funding sources, process a form for each source. Put the amount to be paid from each source at the bottom right on the “Amount paid this Fund” line. Enter the account number(s) from which the remainder of the invoice will be paid. Use the “Account _____ of _____” line at the bottom left to show the number of funding sources. (An invoice paid from three sources would have entries 1 of 3, 2 of 3 and 3 of 3 on the respective forms.)
6. Obtain the necessary approval signatures.
7. Attach supporting detail to original and forward for processing. Invoices to be paid from two (2) or more funding sources must be forwarded together.
8. City Project Manager to sign at the bottom left **after** verifying all pertinent information and matching supporting documentation has been provided and is in the proper spaces on form before sending to financial staff for processing.
9. Finance staff will sign on Department Representative line to finalize the claim.
