NOTICE

As part of the American Rescue Plan Act of 2021 (ARPA), the City of Oklahoma City received an allocation of \$78.5 million from the Coronavirus State and Local Fiscal Recovery Funds, Revenue Replacement Category to provide funding for the Bricktown Lighting – South Canal.

Project MP-0629, Bricktown Lower Canal Lighting Improvements. The scope of the work provides for replacement and updates to the lighting system to improve safety, aesthetics and general ambiance.

The City of Oklahoma City requires any contractor engaging in work on public property, for which a prequalification class of such work has been established, must be prequalified by the Prequalification Review Board for that class of work to perform such work. Information regarding prequalification can be found at www.okc.gov/departments/public-works/contractor-resources/prequalification.

Additionally, to bid on this Project, the Bidder must be prequalified by the City of Oklahoma City's Prequalification Review Board prior to the bid date as: **BUILDING CONTRACTOR "B"**. Notwithstanding the bidding requirement above, the contractor or subcontractor performing any work for which a prequalification class has been created, the contractor must be prequalified in that class to perform that work.

Any contractor that would like to bid on this project and **are not** currently prequalified with the City of Oklahoma City, should contact the Prequalification Manager at 405-297-2058 or email prequal@okc.gov to discuss the prequalification process. Contractors are encouraged to apply early for prequalification to enable processing and enable the potential contractor to bid on this project.
