

# NE 23RD STREETSCAPE STAKEHOLDER MEETING AGENDA

Welcome to the NE 23<sup>rd</sup> Streetscape Project Stakeholder Workshop! Over the next two days, we'll gather insights, address key challenges, and explore opportunities. Your expertise is crucial as we work together through presentations, discussions, and activities to develop actionable solutions. Thank you for joining us – let's get started!

# NE 23RD STREETSCAPE STAKEHOLDER MEETING AGENDA

Welcome to Day 2 of the NE 23<sup>rd</sup> Streetscape Project Stakeholder Workshop! Today we will experience the corridor in a very tangible way. By walking the corridor, we hope to understand the challenges and opportunities pedestrians might have within the space and then work together to develop priorities and potential concepts that the team can further analyze and fine tune. These outcomes will be shared with the broader community.

## WELCOME!
