

TRASH! TRASH! TRASH!

Put these **Halloween** items in your **BIG BLUE** trash cart, **NOT** in the Big Green.

- String lights, webbing, ropes and cords
- Costumes and accessories
- Paper plates, cups, napkins and party goods
- Plastic decorations such as Jack-O-Lanterns and skeletons
- Plastic bags, food and liquids, grass clippings, leaves, dirt, car and bicycle parts

The City of
OKLAHOMA CITY
Utilities Department

The Skinny **on Bulky**

Big junk, bulk trash, bulky waste. Whatever you call it, OKC Utilities has you covered.

WHAT WE COLLECT

- Tree limbs (cut to 10' or less)
- Fencing
- Carpeting
- Mattresses
- Furniture

Large appliances: Call in advance for refrigerators and appliances that contain freon.

Excess Fees may apply if piles exceed the limit of 4 cubic yards (about 2 refrigerators).

Keep your bulky pile away from obstacles such as mailboxes, trees, gas or water meters, vehicles or other obstructions.

Reminder: Basketball goals

Basketball goals are great for outdoor fun, but be careful where you set them.

Goals set near bulky piles or set alone at the curbside may accidentally be picked up with your bulky items.

Set them **close to the house and away from bulk items** on your collection day.
