Project: Public Art for the Oklahoma City Convention Center

Total art award: \$30,000
Bid published: August 28, 2024
Bid deadline: October 4, 2024

I. Summary

The MAPS 3 Oklahoma City Convention Center replaced Oklahoma City’s former Convention Center in 2021, and serves as one of the City’s premier venues for hosting concerts, expos, conferences, and other events. The Convention Center’s design was heavily influenced by its relationship to the surrounding environment. Level 1 relates to the warm earth, Level 2 connects to the horizon line, and Level 3 takes cues from the colorful Oklahoma Sky. Strategic use of color and materiality supported this concept throughout the interior design. The Work for this Project will be accompanied by amazing works of art located in and around the Convention Center: Susan Narduli’s *Virtual Sky*, Joe Slack’s *Together Together*, and a spin painting by Damien Hirst and Wayne Coyne.

The 1% for Art funds for this Project will be used to enhance the interior of the Convention Center. The artwork will be an approximately 25 ft x 35 ft mural, that will be hand-painted and suspended on a banner. The Artist will be able to paint the mural inside the Convention Center at the location where the banner will be displayed. The banner may be created from vinyl, canvas, or other suitable material. The Artist may use latex paints to complete the Work (spray paint or aerosol based material will not be allowed). This mural will be full of life, joy and creativity. With an “Oklahoma” inspired theme, this mural will be a unique display of our local culture, entertaining thousands of visitors from Oklahoma and beyond.

II. Budget

The total Art Award of \$30,000 includes all costs for designing, creating, and installing the artwork, including but not limited to materials, engineering, research, fabrication, travel, transportation, and required insurance.

III. Eligibility

This opportunity is open to all practicing artists who are at least 18 years of age. All Artists and Artist Teams selected as finalists must attend all required information sessions and site visits. Artist Teams may include Artist Apprentices younger than 18, as long as prior written permission is provided from the Artist Apprentice’s Parent or Guardian.

The Artist or Team that is selected for the Award must identify a locally based (living within a 120-mile radius of the Project site) Project Representative, who is the main Project contact, and who can be on site or react on 24 hours’ notice as needed for construction meetings and other contingencies. Artists may designate themselves, if locally based.
