**Employee Benefits Guide**

# City of Oklahoma City

Dear City of OKC Employee,

It is Open Enrollment time! The Total Rewards Team has worked diligently to ensure no increase for medical premiums for active employees for the third straight year!

HR continues to work hard to evaluate and meet the needs of our workforce. The first year of the new EPO medical plan has been a positive change. For 2025, a new 457 and 401a plan administrator, VOYA, will streamline and enhance the offerings provided, while saving employees in fees. Please take time during Open Enrollment to review and invest in your 457 to maximize your overall retirement security.

The Total Rewards Team is here to support you during Open Enrollment in a way that best suits your busy schedule. We are committed to assisting each employee no matter if you prefer self-service via One OKC Cloud or on-site enrollment. If you plan to enroll on-site, please make sure you have your Multi-Factor Authentication (MFA). If you have login or MFA issues, IT will be onsite to assist.

I encourage each of you to take a small amount of time to log in to One OKC Cloud and review your other benefits and beneficiaries to make sure they are still meeting you and your family's needs.

Additional information and/or changes for Open Enrollment will be communicated through InsideOKC, [www.okc.gov/oe](http://www.okc.gov/oe), and/or departments.

Let's keep the momentum going as one of the top 35 organizations to work for in Oklahoma.

## Things to Know for 2025

### New 457 Vendor

We are moving to a single administrator, Voya Financial. This will lower costs for you, provide greater fee transparency, improve services and simplify account management.

MissionSquare and Nationwide are the current recordkeepers for the City of Oklahoma City's deferred compensation plans. Any account you currently have with either MissionSquare or Nationwide will be transferred automatically to Voya® in December 2024. Refer to pages 42–43 for more information.

### One OKC Cloud

Every employee should have access to One OKC Cloud and will have access to make their own elections and changes to their benefit selections. In addition, employees are STRONGLY encouraged to check and periodically update their beneficiaries. For more information to enroll or make changes, click on QR code or [www.okc.gov/oe](http://www.okc.gov/oe).

**Important Note:** Benefits are subject to Labor negotiations with applicable collective bargaining groups. Benefits and/or rates referenced herein are subject to change. If such change occurs, employees will be notified.

### On-Site Enrollment Location

Open Enrollment will be held at the OKC Convention Center (100 Mick Cornett Dr, Oklahoma City, OK 73109) the week of October 28 to November 1, 2024 from 8am to 4pm. Staff will be available to assist in assisting with self-enrollment in One OKC Cloud. Representatives from American Fidelity will be on-site to assist with Accident, Cancer, Long Term Disability, and Individual Life plans. Vendors for medical, dental, life, EAP, and retirement will be on-site to answer any questions. **EMBARK will be providing shuttles from the downtown campus. Please check InsideOKC for more information and updates as the event nears.**

### Beneficiary Update

As part of the Oracle Cloud conversion, the decision was made to have employees reload the Group Life beneficiaries. While the City has the prior historical beneficiary record in Peoplesoft, HR is encouraging all employees to designate Group Life beneficiaries in One OKC Cloud self-service as well as periodically review and update their beneficiaries as needed. Beneficiary designations and changes can be completed at anytime throughout the year in One OKC Cloud self-service. Please note Employee Benefits does have access to historical beneficiary information in the event the employee has not updated the beneficiary in One OKC Cloud. Once the employee has made the update in One OKC Cloud, this will become the source of record.

## Eligibility & Coverage Information

### Plan Eligibility

Eligibility is determined by the requirements stated in the appropriate plan document or insurance policy. Since the plans are subject to change, eligibility may also change. If you change coverage from one plan to another, you and your dependent(s) must meet the requirements of the new plan selected.

### Benefits Information

Additional information regarding your benefits can be found at [www.okc.gov/oe](http://www.okc.gov/oe). If you need to meet with Employee Benefits, please call 297-2144 to set up an appointment.

### Employee and Dependent Eligibility

You are eligible to participate in the City's health and welfare plans if you are classified as a regular, full-time active employee, excluding Fire Fighters, or in one of the following categories: 1) An employee on paid disability leave due to an on-the-job injury or illness who was a regular, full-time active employee on the date the disabling injury or illness occurred; 2) An elected official of the City; 3) The City Auditor or a regular, full-time active employee of the City Auditor's office; 4) The Municipal Counselor or a regular, full-time active employee of the Municipal Counselor's office; or 5) A full-time active Oklahoma City Municipal Judge; or 6) An eligible employee of a participating public trust.

Employees must provide official documentation establishing a legal relationship with dependents in order for the dependents to be eligible for coverage. **You and your dependents will not be covered until you complete the appropriate paperwork with the Employee Benefits Division, provide the necessary documents to be enrolled (i.e. birth certificates, marriage license, copy of the social security card, etc.) and pay the required premium(s). Acceptable documentation must be received in the Employee Benefits Division of the Human Resources Department within 31 days of becoming eligible.** Refer to the Guide to Qualifying Change in Status in this guide for additional information.

### Eligible Dependents Include

- Spouse, including Common Law partner.
- Child(ren), under age 26, (or those who qualify as a dependent under the Internal Revenue Code).
- Child(ren), currently enrolled in coverage, who are physically or mentally incapable of self support on the date coverage would otherwise end at age 26.

### About this Guide

This benefit guide is a compilation of City sponsored employee benefits. It is intended for informational purposes only. The actual benefits available and the full descriptions of these benefits are governed in all cases by the relevant plan document, insurance contracts, and Ordinances and Resolutions of The City of Oklahoma City, and, where applicable, collective bargaining agreements. If there are discrepancies between the benefit guide and the actual plan documents, insurance contracts, and Ordinances and Resolutions, the documents, contracts, and Ordinances and Resolutions will govern. Please refer to Supplemental Benefits Information and Disclosures for additional information.

### Administrative Information

#### Clerical Error/Delay

Clerical error or delay will not invalidate coverage or cause coverage to be in force. Coverage is governed solely by terms and provisions of the Plans, and City policy. Additionally, payment or lack of payment of premiums will not cause coverage under a Plan to commence or terminate. However, upon discovery of clerical error or delay, which results in over or under collection of premiums, an adjustment will be made to reflect the correct amount of premiums. The City has the right to collect premiums owed by the employee and conversely, the employee will be reimbursed if an overpayment occurs. Additionally, if a clerical error results in the processing of claims against the Plan, any payments disbursed to providers will be invalidated and payment of services will be the responsibility of the employee.

#### HIPAA Compliance

The Health Insurance Portability and Accountability Act (HIPAA) requires that your health insurance plan limit the release of your health information to the minimum necessary required for your care. If you have questions about your claims, contact your insurance carrier first. If, after contacting the insurance carrier, you need a representative of the Employee Benefits Division to assist you with any claim issues, you may be required to provide written authorization to release information related to your claim. The City of Oklahoma City advises you that the HIPAA Notice of Privacy Practices is available to you by accessing [okc.gov/departments/personnel/benefits](http://okc.gov/departments/personnel/benefits). If you do not have access to the internet and you would like a copy of the HIPAA Notice of Privacy Practice, or if you have any questions, please contact a representative of the Employee Benefits Division at 405-297-2144.

**IMPORTANT NOTICE: If dependent eligibility changes during the year you must notify the Employee Benefits Division of the Human Resources Department within 31 days of the qualifying event.**

**For more information, contact Employee Benefits at [eb@okc.gov](mailto:eb@okc.gov) or 405-297-2144.**

## Our Game Plan to Keep Your Employees Safe

As we navigate the changes that have occurred since the pandemic began, American Fidelity realizes that the most important priority is the safety and well-being of our employees and yours.

While considering adjustments you must make at your organization, you may be wondering how your partners' business practices are changing.

We are taking a thoughtful approach and continuing to work hard to ensure safety. We will follow CDC guidelines as we approach in-person enrollments.

Here are some changes we will be incorporating:

### Greetings

Handshakes have been a common practice in the past. Your account manager will no longer offer their hand as a greeting.

### Handouts

All product and service promotional materials may be provided electronically if requested.

### Sanitization

Hand sanitizer will be available and account managers will disinfect the area after each session, including cleaning the 10-key pad used for signatures.

# Adhering to Your Guidelines

Social distancing guidelines are being implemented in most workplaces to reduce the spread of COVID-19. We understand you will likely have safety protocols in place when your employees return to work. Many of these guidelines will take time to get used to. Please let us know how we can assist with adhering to your standards.

**Before entering your building, our account representatives are prepared to do the following:**

Stay home if they are feeling sick and not return to work until authorized by a healthcare provider

Practice social distancing by following signage or limiting capacity in confined spaces

Maintain good hygiene and cleaning practices by cleaning hands often and sanitizing areas as needed

## Our Promise to You

If one of our account representatives receives a positive COVID-19 diagnosis after visiting your location, we will communicate to you as soon as possible so that contact tracing can take place. Additionally, account managers that are traveling by mass transit for work or personal reasons will adhere to a 14-day quarantine before returning to your location.

We are committed to educating your employees about their available benefits and helping them complete their enrollment in as safe of an environment as possible.

Please contact your dedicated American Fidelity account manager to discuss specifics about your upcoming enrollment.

The calculation of average compensation is reduced by any benefits elected under Section 125 according to Oklahoma City Municipal Code 40.51.6. For questions, please contact Oklahoma City Employees Retirement System (OCERS) at 405-297-3413 or 405-297-2408.

# Health Plan Benefits Comparison

The City of Oklahoma City offers employees a choice in major medical plans: (the Preferred Provider Organization (PPO) and Exclusive Provider Organization (EPO) administered by BlueCross and BlueShield of Oklahoma.) Only you can decide the type of major medical plan that is right for you and your family. Additional information and the provider directory can be found at [www.bcbsok.com/okc](http://www.bcbsok.com/okc).

## PPO Plan

The PPO Plan offers a broad network of doctors, allowing you the ability to select almost any doctor or hospital. By selecting a network doctor, lower coinsurance and deductibles are available. However, non-network care is still partially covered. A prescription drug plan (administered by Prime Therapeutics) is provided with the PPO Plan. Prescription drugs must be included on the plan formulary in order to be covered.

**Advantages:** Choice of doctors and hospitals

**Disadvantages:** Greater out-of-pocket expense during the plan year

## EPO Plan

If your preferred doctor or specialist is not in the EPO network, you must select another doctor or specialist within the EPO network in order to have your medical visits covered by the EPO plan.

Prescription drugs must be included on the plan formulary in order to be covered.

**Advantages:** Less out-of-pocket costs during the plan year

**Disadvantages:** More restricted choice in doctors, hospitals, and prescription medications

## Comparison

The following pages provide a summary of the PPO Plan and the EPO Plan offered by the City of Oklahoma City.

**This information is only a summary. If there are discrepancies between the chart and the actual plan documents, insurance contracts, or ordinances and resolutions, the plan documents, contracts, or ordinances and resolutions will govern.**

**NOTE: All City major medical plans include transition related health care benefits, including gender confirmation surgery, hormone therapy, and mental health counseling among other treatments. Contact your healthcare provider or health insurance provider for more information.**

Plan Participation	Employee Contribution	The City's Contribution
PPO Plan	20% of the premium	80% of the premium
EPO Plan	15% of the premium	85% of the premium

# Health Benefit Plans

*BlueCross BlueShield of Oklahoma  
Prime Therapeutics*

BlueCross BlueShield of Oklahoma administers the City's Group EPO and PPO health plans. Under these health plans you may go to any physician. However, it is to your advantage to go to a network provider to maximize your health plan's benefits and lower out-of-pocket expenses. For questions regarding the plan or a list of Blue Cross Blue Shield of Oklahoma providers, visit the account representative on-site during the enrollment period, contact a representative of the Employee Benefits Division or visit the City's Blue Cross Blue Shield of Oklahoma web site at [www.bcbsok.com/okc](http://www.bcbsok.com/okc).

## Prescription Plan

Prime Therapeutics is the pharmacy manager for these plans. For questions, regarding your pharmacy benefits please contact the 1-877-546-2779. Please visit, [www.myPrime.com](http://www.myPrime.com), or download the MyBlueRxOK app to compare drug costs, prescription refill reminders, search for in-network pharmacies, find drug costs, coverage information and any additional self-help inquires. The City of Oklahoma employees utilize the Basic drug list for medications approved for use and/or covered by the plan.

The Advantage network does not include CVS pharmacies. If you have prescriptions with CVS, you must transfer your prescriptions to an in-network pharmacy in order to receive benefits.

## Mail Order

If you are taking a covered, maintenance (or long-term) medicine, consider using the home delivery pharmacy service, Express Scripts® Pharmacy. With home delivery, you enjoy the ease of having your maintenance drugs delivered anywhere in the U.S. You could also save time and possibly money. To start using the home delivery pharmacy service visit [express-scripts.com/rx](http://express-scripts.com/rx). Click on "Register Now" or "Get Started" to create an account using your Member ID and follow the steps, or you can call (833) 715-0942. Your doctor can send a new prescription electronically to EXPRESS SCRIPTS HOME DELIVERY, or by phone or fax.

## Specialty Pharmacy

Specialty medicines are used to treat conditions like multiple sclerosis, hepatitis C and rheumatoid arthritis. These prescriptions that are approved for self-administration (like oral capsules or injections you can give yourself) must be filled through an in-network specialty pharmacy to avoid paying higher out-of-pocket costs. Your drug list may have a mark for specialty drugs, and if it requires prior authorization.

## Prior Authorization

A prior authorization is a requirement that the physician obtain approval prior to prescribing a specific medication. Your physician will be responsible for submitting the required documentation.

## Step Therapy

Some medications require that alternatives be prescribed and determined to be ineffective or not appropriate treatment options. Your physician will be responsible for submitting the required documentation.

## The BlueCard Program

The BlueCard Program allows you to use a BlueCross BlueShield of Oklahoma EPO/PPO Physician or Hospital outside the state of Oklahoma and to receive the advantages of EPO/PPO benefits and savings.

## Health Plan Provisions

Coverage is provided only for a service or supply, which is "necessary for diagnosis, care or treatment of a physical or mental condition involved." Only that part of a charge that is "reasonable and customary" is payable.

Pre-Certification is required for inpatient hospital services, skilled nursing facility services, services received in a Coordinated Home Care Program, and private duty nursing services, at least one day prior to the scheduling of the admission.

Private room limit is the Institution's semi-private rate. If the institution does not offer a semi-private rate, a semi-search rate will be utilized for coverage.

Medical or dental benefits paid by "other plans" will be taken into account when determining benefits under this Plan. Medicare benefits will be calculated before the medical benefits of this Plan are determined.

## Claims

Claims must be filed with the Claims Administrator within twelve (12) months of the date of service. Claims received after twelve (12) months will be denied.

The Claims Administrator will have discretionary authority to construe and interpret the Plans and determine whether a particular claim is covered.

BlueCross BlueShield of Oklahoma has established a process to review your dissatisfactions, complaints and/or appeals. If you have a question or complaint, an initial attempt should be made to resolve the problem by directly communicating with a BlueCross BlueShield of Oklahoma Service Representative. In most cases, a Customer Service Representative will be able to provide you with a satisfactory solution to your problem. However if a resolution cannot be reached in an informal exchange, you may request an administrative review of the problem through the appeal process described in the Oklahoma City Medical Plan Document.

## Plan Modification and Amendment

The Mayor and City Council may modify or amend the Plans from time to time at its sole discretion and such amendments or modifications may affect Covered Persons, which could include elimination of any Plan.

## Right of Subrogation

In the event you are injured in an accident caused by the negligence of a third party, (i.e. automobile accident, supermarket slip and fall, etc.), the Plans will pay eligible claims. However, the Plans reserve the right to recover expenses paid on your or your dependent's behalf, from the negligent third party or from you if you receive a monetary settlement. You are required to notify the Plan Administrator of all such injuries.

# Dental Plan

*BlueCross BlueShield of Oklahoma*

**Group ID#**  
**K19574**

## Employee Information

This is a general summary of your benefit design. Please refer to your dental benefit booklet for other details and for limitations and exclusions.

## Eligibility

The following eligibility provisions apply:

- Dependent children are covered to age 26. Disabled dependent children can be covered beyond age 26.
- Retirees are eligible for coverage.

## Pre-Existing Condition

A pre-existing condition exclusion will apply to expenses involving the replacement of teeth that were missing prior to the effective date of the dental contract. This exclusion will not apply to:

- Any participant who becomes eligible on the dental contract date who was covered under a previous group dental care contract by the Employer.
- Any participant who has been continuously covered for 24 months under a group dental care contract with BlueCross BlueShield of Oklahoma, which included prosthetic benefits.

## Limitations

When the course of treatment will be in excess of \$300, a predetermination request should be submitted to BlueCross BlueShield of Oklahoma in advance of treatment. It is the covered persons responsibility to ensure the request is submitted.

## Freedom of Choice

The dental plan allows you the freedom to choose any dentist you wish. Below highlights the differences between choosing a Contracting Network Dentist and a Non-Contracting Dentist, who is not part of BlueCross BlueShield of Oklahoma's Dental network

## Contracting Network Dentist

Regardless of which plan you are enrolled in (Low Plan Option or High Plan Option), when you receive services from a Contracting Network Dentist, you receive the following advantages:

- Reduced out-of-pocket costs due to the provider accepting a negotiated (discounted) allowed amount;
- No balance billing for amounts over the allowed amount. However, you are still responsible for your co-insurance amount;
- No referral needed for specialty dentists;
- Contracting network dentists will submit claims for you.

When you receive services from a Non-Contracting Dentist, your out-of-pocket cost will be greater, as Non-Contracting Dentists do not accept any negotiated (discounted) fees. Therefore, the dentist will be reimbursed based on the Allowed Amount, as determined by the plan, and you are balance billed for costs exceeding the BlueCross BlueShield of Oklahoma Maximum Allowable Amount.

Please note, there is a difference on how Non-Contracting Dentists are reimbursed, based on the plan you may be enrolled in:

- **Low Plan Option:**

Claims will be reimbursed at the Maximum Allowable Charge (MAC). This is where the plan will pay a set dollar amount for each procedure, regardless of the actual billed charge. You will be balance billed for the difference between BlueCross BlueShield of Oklahoma MAC and the total billed charge. You are required to file claim forms.

- **High Plan Option:**

Claims will be reimbursed at a Usual and Customary (U&C) Allowed Amount, which is based on the geographic location of the rendering dentist. The U&C Allowed Amount may be higher or lower than what your dentist charged, so you may be balanced billed for the costs exceeding the BlueCross BlueShield of Oklahoma U&C Allowable Amount.

Please note that our dental plan is a "freestanding" product and can be purchased separately from the health product (i.e., an employee can elect employee only coverage for health, but elect dental for the family).

**Find out what Dentists are on your dental plan.**

Visit [www.bcbsok.com/okc/](http://www.bcbsok.com/okc/) coverage to find a provider or review the plan document.

# Flexible Spending Accounts

American Fidelity Assurance Company

Flexible Spending Accounts (FSA) are great cost savings tools to help with common medical and/or dependent care expenses not covered by your insurance. You can elect a portion of your pay to be deducted, on a pre-tax basis, from each paycheck to use for reimbursement of qualified out-of-pocket expenses throughout the plan year.

## Flexible Spending Account Savings Example

With FSA		Without FSA
\$30,000	Annual Gross Income	\$30,000
- \$2,850	Health FSA Election	\$0
- \$5,000	Dependent Care Account Election	\$0
\$22,300	Taxable Gross Income	\$30,000
- \$4,430	Estimated Federal Tax (20%)	- 6,000
- \$1,695	Estimated FICA (7.65%)	- 2,295
\$16,025	Annual Net Income	\$21,705
\$0	Cost of Medical Expenses	- \$2,700
\$0	Cost of Dependent Care Expenses	- \$5,000
<b>\$16,025</b>	<b>Spendable Income</b>	<b>\$14,005</b>
<b>With an FSA you have a potential annual savings of: \$2,020</b>		
By using an FSA to pay for eligible recurring expenses, you can cut down on your taxable income which will result in additional spendable income.		

## Healthcare Flexible Spending Account (Healthcare FSA)

A Healthcare FSA allows you to allocate money on a pre-tax basis to reimburse yourself for qualified medical expenses for you and your family. Qualified expenses include anything from copayments, medical deductibles, prescriptions and much more.

Minimum Annual Deposit: \$150  
Maximum Annual Deposit: \$3,200

Carryover Provision - Typically, any Healthcare FSA amounts not used by the end of the plan year are forfeited. The Internal Revenue Service (IRS) guidance gives employers the ability to allow Healthcare FSA participants to carry over up to \$550 of unused contributions from one plan year to the next. This carryover amount may then be used to reimburse eligible medical expenses incurred anytime during the next plan year.

## Healthcare FSA Funds Availability

Your full annual election is available to you on the first day of the plan year.

**For a complete list of eligible FSA expenses, please visit [www.americanfidelity.com](http://www.americanfidelity.com)**

## Benefits Debit Card

American Fidelity will provide a Benefits Debit Card to all employees who elect to participate in a Healthcare FSA (where offered by your employer.) The debit card gives immediate, convenient access to Healthcare FSA funds at the point of sale for prescriptions, copays, and other common qualified medical expenses. The card can only be used for the Healthcare FSA and is not available for the DCA.

## Using Your Benefits Debit Card

Simply swipe your card like you would with any other credit card. Whether at the doctor's office or the dentist, the amount of your eligible expenses will be automatically deducted from your Healthcare FSA. Save ALL receipts!

Cards for Healthcare FSAs can be used at:

- Health care related facilities which include: hospitals, physician offices, dental offices, vision offices; and,
- Merchants participating in the Inventory Information Approval System (IIAS).
- The card is for medical expenses only; dependent day care expenses are not eligible.
- The card cannot be used for over-the-counter drugs filled with a prescription. You will need to file a manual claim for these types of expenses.

## Dependent Day Care Account

A (DCA) allows you to allocate money on a pre-tax basis to reimburse yourself for the cost of dependent care services such as after school care and dependent day care centers.

Minimum Annual Deposit: \$240  
Maximum Annual Deposit\*: \$5,000

If you participate in a DCA, you must provide the IRS with the name, address and taxpayer identification number (TIN) or Social Security number of your dependent care provider(s) by completing either Schedule 2 of Form 1040A or Form 2441 and attaching it to your annual income tax return. Be sure that you follow the current instructions given by the IRS for preparing your annual income tax return. Failure to provide this information to the IRS could result in loss of the pre-tax exemption for your dependent care expenses.

## Dependent Care Account (DCA) Funds Availability

Unlike the Healthcare FSA, the entire elected amount is not available on the first day of the plan year, but rather as contributions are received.

\*Highly Compensated Employees as defined by IRS Tax Code § 414(q) may be required to reduce their elected amount based on nondiscrimination testing.

## Important FSA Notes

- Participants are allowed a 90-day run-off period after the plan year ends to submit claims that occurred during the plan year but were not yet submitted.
- If you a new employee entering the FSA during a plan year, expenses must be incurred after you are eligible to participate in the FSA .
- If you are enrolled in the Healthcare FSA and take a leave of absence during the plan year, you may:
  1. Prepay the contributions pre-tax;
  2. Continue the contributions on an after-tax basis (pre pre-tax contributions may continue when you return to work);or
  3. Prorate the unpaid contributions over the remaining pay periods when you return to work.
- Failure to make all elected contributions will result in termination of your account as of the date contributions ceased.
- Healthcare FSAs must comply with COBRA and offer COBRA continuation rights to qualified beneficiaries who lose their Healthcare FSA coverage as a result of termination of employment. Generally, COBRA may only be offered upon termination of employment if you have a balance remaining in your Healthcare FSA. The balance is calculated by subtracting the reimbursements made from the contributions received. You may choose to continue your contributions by either sending your contributions to your employer on an after-tax basis each pay period, or, you can choose to make a pre-tax contribution for your remaining election for the plan year from your severance pay. Expenses incurred while contributions are being made are eligible for reimbursement. The coverage generally may not continue beyond the current plan year. If you do not elect to continue the contributions on an after-tax basis, only expenses incurred during the period of employment will be reimbursed. Coverage under the Healthcare FSA ceases when the contributions cease.

**IMPORTANT NOTICE: The Health Flexible Spending Account and Dependent Day Care Spending Account require a new election each year. Any current FSA election from the current plan year will be terminated as of first day of the new plan year.**

### Naming a Beneficiary:

Naming a beneficiary is an important right of Life Insurance ownership; this determines who receives the death benefit. It is recommended that you review and update your beneficiaries periodically. Events such as marriage, birth/adoption of children, divorce or death may change how you want your Life Insurance benefit paid.

### Continuation:

If you are no longer eligible for coverage as an active employee, you may be eligible to continue your coverage after employment. No health questions are needed and rates are generally higher than active rates. If you would like to continue your coverage, be sure to enroll within 31 days of your current coverage ending.
