Agency Notes:		Supplier Notes: This is a very tough job to fill, unless someone will pay a lot of \$ to the workers. This job will have high turnover because of the type of cleaning and the loud noise. Southwest proposes a 22.5 hr workday for 6 people. 1 custodian will work from 7 to 12. the other 5 will work from 7 to 10:30. This schedule will allow our custodians to fill in if someone is missing. We plan to pay our custodians between \$18 to \$21 per hour. This will help lower turnover.
