FY16 Actual FY17 Projection FY17 Target FY18 Target

Long-Term Issue - Court Facilities

The increasing inadequacy of court facilities, if not properly addressed, will result in decreased productivity due to:

- Court staff relocated to remote sites
- Unhealthy, unsafe, and uncomfortable conditions for employees and customers
- Non-compliance with applicable rules, regulations, and codes
- Inadequate workspace and storage
- Loss of court records
- Increased operating/maintenance costs

Strategies to address the Long-Term Issue

- Continue identifying facility inadequacies and retain funding for repair and/or replacements.
- Develop long-term strategic plans regarding court facilities.

Strategic Result(s) to measure annual progress on Long-Term Issue

Annually, 85% of building occupants will rate the facility maintenance and cleanliness as acceptable or above on an annual survey.

Long-Term Issue - Skilled Workforce

The increasing difficulty to recruit, develop and retain an adequately compensated, skilled and well trained workforce due to retirements, reduction in workforce, technology changes and staff changes, if not adequately addressed, will result in:

- Delays in court transactions
- Frustrated customers
- Increased exposure to lawsuits

Strategies to address the Long-Term Issue

- Continue to work with the Personnel Department regarding employee recruitment.
- Develop a comprehensive court focused training program.

Strategic Result(s) to measure annual progress on Long-Term Issue

Long-Term Issue - Technology Services

The increase in customer expectations for court information and electronic services, combined with the reliance on automated systems, if not adequately addressed, will result in:

- Lost opportunities for increased efficiency
- Decreased levels of customer satisfaction with court services
- Major disruption in court services

Strategies to address the Long-Term Issue

- Continue improving information systems to enable the Municipal Court to expand the services that it provides to court patrons.
- Continue working with the Information Technology Department and vendors to increase the number of electronic transactions.

Strategic Result(s) to measure annual progress on Long-Term Issue

By 2020, 60% of all court functions will be available online.

% of court functions available online N/A N/A 31% 38%

Long-Term Issue - Juvenile Service Resources

The increasing complexity of juvenile referrals combined with limited resources for juvenile services, if not adequately addressed, will result in:

- Increase in juvenile crime rates
- Increase in school drop-out rates
- Increase in substance abuse among juveniles
- Increase in probation workloads

Strategies to address the Long-Term Issue

- Continue to identify juvenile referral sources.
- Explore additional funding resources to employ additional juvenile probation officers and/or case managers.

Strategic Result(s) to measure annual progress on Long-Term Issue

By 2018, 95% of the juvenile offenders referred to probation services will successfully complete probation within established period of time.
