

REVISED
NOTICE TO ARCHITECTS, ENGINEERS, AND PLANNERS

NOTICE IS HEREBY GIVEN, that the City of Oklahoma City has a project that requires the services of a consulting firm.

In order to be considered, the Consultant must comply with the Resolution establishing procedure for "Selection of Architects, Engineers, and Planners" adopted by the City Council on November 18, 1986, a copy of which may be obtained at <http://okc.gov/departments/public-works/engineer-architect-resources/notice-to-a-e> from the office of the Public Works Department Director.

The Project is as follows: Project No. BC-0223, Bridge Maintenance Program Consulting Engineer.

Engineers must be experienced and certified in the National Bridge Safety Inspection program (NBIS). Engineers must also demonstrate computer skills in Excel, Access and the Oklahoma Department of Transportation (ODOT) Pontis program. It is anticipated the Engineer will contract with ODOT to inspect City bridges. The City will also contract with the Engineer for support in updating City's Bridge Database from Bridge Inspection Data collected for the NBIS program via ODOT. Consultant must be on ODOT's qualified list of consultants to be considered for selection.

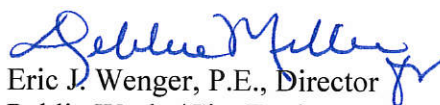

Consultant will also provide a maintenance plan for bridges city-wide; analyze critical repairs needed and provide a prioritized listing with cost estimates; provide technical assistance to City staff in implementing specific projects as identified; and provide technical information for recommendations resulting in a bridge repair contract. Assist in review and development of load rating bridges and route analysis.

As a part of your Letter of Interest, provide your understanding of the project and your expertise and experience on similar projects.

Refer to the basic contract located on <http://okc.gov/departments/public-works/engineer-architect-resources/notice-to-a-e>. All contracts with the City or its related Trusts use this contract. Please review the contract to ensure insurance and indemnity requirements will be met.

Please include a 254 Form with your Letter of Interest.

Time Schedule for the above project: Last date for submitting Letter of Interest (**two copies of letter and all attachments and an electronic copy**) to the Public Works Department Director, 420 W. Main Street, Suite 700, Oklahoma City, OK 73102: prior to 5:00 p.m. November 10, 2017. Emailed submittals are not being accepted at this time.

Eric J. Wenger, P.E., Director
Public Works/City Engineer
